Crossin The Line:

Crossing the Line Gayle Wald,2000-07-24 Examines constructions of racial identity through the exploration of passing narratives including Black Like Me and forties jazz musician Mezz Mezzrow s memoir Really the Blues *Crossing the Line* Simon J. Bronner,2006 For centuries new sailors from European and North American countries have been subjected to an elaborate hazing at sea called crossing the line Typically initiated upon a crossing of the equator the beatings dunkings sexual play and drinking displays that constitute crossing the line have in recent decades been banned by some fleets but they have also been the subject of staunch defenses and fond reminiscences *Crossing the Line* studies the purpose and the changing meaning of the ceremony substantially revising long held assumptions *Crossing the Line* Lynn Miller,2010-05 The boundaries of gay relationships family life and the confusing world of adolescence are just some of the areas Miller touches upon a taste of Philadelphia as it is and as it was in the 19th century as Gilroy and his grandson follow the exploits of a common ancestor who played a part in the city s history and the world of science Page 4 of cover [Sam Parker Collection](#) Sam Parker,2008 [Crossing the Line](#) Sarah B. Towle,2024-06-18 It was family separation and kids in cages that drove Sarah Towle to the U S southern border On discovering the many headed hydra that is the U S immigration system and the heroic determination of those caught under its knee she could never look away again *Crossing the Line* Finding America in the Borderlands charts Sarah s journey from outrage to activism to abolition as she exposes layer by broken layer the global deterrence to detention to deportation complex that is failing everyone save the profiteers and demagogues who benefit from it Deftly weaving together oral storytelling history and memoir Sarah illustrates how the U S has led the retreat from post WWII commitments to protecting human rights Yet within the web of normalized cruelty she finds hope and inspiration in the extraordinary acts of ordinary people who prove every day there is a better way By amplifying their voices and celebrating their efforts Sarah reveals that we can welcome with dignity those most in need of safety and compassion In unmasking the real root causes of the so called crisis in human migration she urges us to act before we travel much farther down our current course one which history will not soon forgive or forget [When Reporters Cross the Line](#) Stewart Purvis,Jeff Hulbert,2013-09-05 *When Reporters Cross the Line* tells the true story of moments when the worlds of media propaganda politics espionage and crime collide casting journalism into controversy Its pages feature some of the best known names in British broadcasting including John Simpson Lindsey Hilsum and Charles Wheeler There are men and women who went beyond recognised journalistic conventions Some disregarded the code of their craft in the name of public interest some crossed the line in ways that had truly shocking consequences Many of the details have been kept as closely guarded secrets until now This unique account of modern reporting examines the lengths to which journalists on the front line are prepared to go to get a story or to espouse a cause Journalistic heroes and villains abound but certain of those heroes were flawed and some of the villains were surprisingly principled In the heat of war and political conflict boundaries are ignored and ethics

forgotten and not just by opposing armies In this extraordinary book Stewart Purvis and Jeff Hulbert offer unparalleled access to the minds of reporters and to the often disturbing decisions they make when faced with extreme situations In doing so it hammers home some unpalatable truths posing the fundamental question where do you draw the line *Crossing the Line* Audra North,2016-06-14 He wanted her the first time he saw her It didn't matter that he was on stage in front of a room full of reporters or that his publicist was telling him to move on or that she was asking him a question about racing One look at her just been bedded hair completely at odds with her deliciously prim appearance and Ty Riggs is hooked Corrine Bellows is one of the woefully few women in a male profession sports reporting In a field where Hey sweetheart can you fetch me a cup of copy is part of her job description she's determined to keep things professional And while interviewing Ty Riggs the hottest new driver on and off the track is a major scoop Corrine knows that she is in major trouble when it becomes clear that Ty wants so much more and is determined to get it As things heat up between them Corrine finds herself on shakier ground Her big secret just may destroy everything **Catholic Women's Rhetoric in the United States** Elizabethada A.

Wright,Christina R. Pinkston,2022-01-28 Building on various feminist theories of ethos the authors in this collection explore how North American Catholic women from various periods races ethnicities sexualities and classes have used elements of the group's positionality to make change The women considered in the book range from the earliest Catholic sisters who arrived in the United States to women who held the Church hierarchy accountable for the sexual abuse scandals The book analyzes women such as those in an African American order who developed an ethos that would resist racism Chapters also consider better known Catholic women such as Dolores Huertas Mary Daly and Joan Chittister *Crossing the Line* Lauren Baratz-Logsted,2015-02-03 Even better than the first book BOOKLIST In the madcap sequel to the international hit comedy THE THIN PINK LINE London editor Jane Taylor is at it again only this time there's a baby involved Having SPOILER ALERT found a baby on a church doorstep at the end of the previous book Jane is forced to come clean with all the people in her world when it turns out that the baby is a different skin color than everyone had expected Jane's baby to be As Jane fights to keep the baby battling Social Services and taking on anyone who seeks to get in her path what kind of mother will Jane prove to be Only one thing's for certain no matter how much kinder and gentler she is now she is still and will always be crazy Jane

Crossing The Line Kay Lyons,2019-03-26 Luke Tulane knew better than to touch her Much less spend the night with her But when he returns to Tennessee for yet another brother's wedding and discovers his little sister's best friend pregnant with his child he knows he's really crossed the line Doing the right thing is obvious at least to him But how do you convince a woman whose past is so traumatized by family drama that marriage to him might be worth facing her worst fears
