

SAYING 'NO'

crossing boundaries

Our life is like a garden.
This garden is surrounded by a fence.

Things outside my garden are NOT my responsibility. I may choose to help another person with their garden, but I can also choose not to. Sometimes, we need to say NO to others.

Have you ever taken a responsibility from another person when you didn't want to?

Has anyone ever helped you with one of your responsibilities?

A friend of yours hasn't completed their homework and has asked you to show them your answers. Their homework is not your responsibility.

What could you say to this friend?
