Crossing The Border An Erotic Journey:

Crossing the Border Kim Chernin, 1994 The Journey Home Joyce Antler, 2010-05-11 A unique positive collection of essays profiles a number of forgotten female Jewish leaders who played key roles in various American social and political movements from suffrage and birth control to civil rights and fair labor practices Literature and the Writer , 2016-08-09 Literature and the Writer was first conceived with the hope the essays would shed light on several dimensions of the authorial craft It was the hope of the editor that the selected essays would examine not only writers choice of vocabulary but also their deliberate selection of grammatical constructions and word order and their seamless weaving together of plots and imagery Moreover the analyses would also draw attention to how the writing process impacts the development of characters and the formulation of thematic strands in fiction Thus a wide variety of authors are deliberately selected to give the text depth writers of popular fiction as well as modern classics are included and contrasts are established between traditional writers and those who prefer to follow experimental trends Modernists are set against postmodernists absurdists vs realists minority ethnicities vs majority cultures and dominant genders appear in contrast to subordinated ones Clearly the major tenet of the collection is that the writing profession provides an unending dilemma that deserves to be explored in more detail as readers try to determine how authorial voices confuse while simultaneously elucidating their audience how texts are constructed by authors and yet deconstructed by the very words they choose to include how silence functions as inaudible yet audible discourse and how authorial self concept shapes not only itself but is also echoed in the fictional characters writers who appear in the texts **Recovering Women** Melissa Friedling, 2019-06-04 This book is dedicated to the memories of Robert Branham my professor at Bates College whose teaching scholarship and humanity continue to inspire and sustain me and to my grandma Dorothy Grosser whose beauty spirit and love are with me all the time I would also like to thank Leighton Pierce Franklin Miller Michael McGee Lauren Rabinowitz Doris Witt Camille Seaman and Bruce Gronbeck at the University of Iowa for their wisdom guidance generosity and support I am especially grateful to Barbara Biesecker my teacher colleague and friend who offered perceptive comments on the manuscript and unfailing encouragement My appreciation also goes out to the University of Iowa Graduate College which assisted me with the award of a Seashore Dissertation Year Fellowship At Syracuse University I am indebted to Jane Marsching Doug Dubois Mark Durant Jude Lewis John Orentlicher Loren Schwerd and Owen Shapiro for their art friendship and constructive advice Additional thanks go to John Sloop and Catherine Murphy Lisa Wigutoff and Myia Williams at Westview Press **Eroticism Across Borders: A Sex and Romance Book** Navneet Singh, Introduction Love Without Borders Set the tone for the book Discuss how eroticism is both a personal and political act when it crosses societal boundaries Introduce the idea of sensual diplomacy cultural exchange through bodies and intimacy beyond language Chapter 1 Forbidden Frontiers When Nations Divide Lovers Stories of lovers separated by war borders or political conflict An Israeli woman and a Palestinian man who meet during a cultural
