## **How To Youtube Shorts Ideas Guide For Us Audience:**

**Moving Images, Mobile Viewers** Renate Brosch, 2011 Vision and movement seem to have shifted center stage in modes of experience in the last century as a result of their joint effect slow contemplative gazes at static images seem to be increasingly displaced by distracted vernacular ways of seeing Looking out of the window of a speeding car receiving photographs of Earth from outer space watching the flickering images of the TV screen scrolling through a text zooming in on a location in Google Earth or sending images via mobile phones or webcams all these are unique visual experiences that were impossible before various inventions in the 20th century originated completely new kinds of movement The double meaning of moving images is meant to signal the specificity of motion to these images and at the same time to express the emotional power of those visual images which are able to transcend the constant stream of images in contemporary perception Series Kultur und Technik Schriftenreihe des Internationalen Zentrums für Kultur und Technikforschung der Universität Stuttgart Vol 20
