channel owner No expensive equipment No on camera performance Just a focused strategy that builds views subscribers and income on autopilot Start today Build smart And let your content do the work **Mass Media and American Politics**

Johanna Dunaway,Doris A. Graber,2022-02-13 A comprehensive trusted core text on media s impact on attitudes behavior elections politics and policymaking Mass Media and American Politics is known for its readable introduction to the literature and theory of the field and for staying current with each new edition on issues of new and social media media ownership the regulatory environment infotainment and war time reporting Written by the late Doris Graber a scholar who has played an enormous role in establishing and shaping the field of mass media and American politics and now lead by Johanna Dunaway this book has set the standard for the course New to this edition Extensive coverage of political misinformation the role changing communication technologies and mass media more generally are playing in its consumption and dissemination as well as how the press is handling and should handle reporting on political misinformation especially as it pertains to the presidency elections and crises like Covid 19 Updated coverage of the role social media and other popular digital platforms are playing or not playing in the effort to stop the spread of mis and dis information on their platforms with special attention to both foreign and domestic efforts to use these platforms to incite violence cause confusion about and or encourage distrust in democratic institutions Expanded treatment of rising affective social and ideological polarization in politics with a special focus on whether and how mass media are contributing to these forms of polarization New updates on causes and consequences of expanding news deserts declining local news and rampant growth of hedge fund media ownership Up to date coverage of what researchers are learning about the implications of growth in digital social and mobile media use What does it mean for attention to news and politics Producing and Directing the Short Film and Video Peter W. Rea,David K.

Irving,2010 Producing and Directing the Short Film and Video Fourth Edition is the definitive book on the subject for beginning filmmakers and students It clearly illustrates all of the steps involved in preproduction production postproduction and distribution and uses a unique two fold approach to break down filmmaking from the perspectives of both the producer and director Extensive examples from award winning shorts show you how to create a successful short film or video from script to find product Plus learn from real world advice and examples from the filmmakers themselves Book Jacket **Media and Society** Nicholas Carah,2021-05-05 How do media platforms organise social life How do media empower or disempower our identities How do we understand the impact of algorithms How are media audiences produced and managed Media Society introduces the role of the media in social cultural political and economic life unpacking the increasing entanglement of digital media technology with our everyday lives It explores the relationship between meaning and power in an age of participatory culture social media and digital platforms An age where we both create and consume content and where we both give and gain attention translating our social lives into huge flows of data Associate Professor Nicholas Carah shows how a critical approach to power helps us not only to understand the role media play in shaping the social but also how we

can become critically informed media citizens ourselves able to participate and be heard in meaningful ways Media Society expertly introduces all the key concepts and ideas you need to know and then puts theory into practice by tying them to contemporary case studies From using Ghostery to track how your personal data is being collected to exploring misinformation on social media via Youtube to the reality of internships and freelancing in today s digital media industry It is essential reading for students of media communication and cultural studies
