Not My Barista Rachelle Ayala,2024-03-04 The cute barista is a wannabe writer and Gina Griffin doesn't date wannabe writers She's a bestselling women's fiction author and doesn't need to take a clueless beginner under her wing especially a handsome one who's so awkward with words that she finds endearing But Henry Archer is no ordinary barista He's a tech billionaire in disguise and the mastermind behind an AI chatbot designed to write like humans Henry is captivated by Gina's talent and determined to learn from her What Gina doesn't know is that he's also using her word choices to fine tune the very technology that she fears might render her craft obsolete As they grow closer Henry finds himself in a moral quandary torn between his growing feelings for Gina and the innovative technology that could change the writing industry forever Gina in turn is drawn to the charming barista with a passion for words warning him against using AI and teaching him to write from the heart Love is the last thing either one of them expects As Gina grows curious about Henry's identity and Henry frets over his newest breakthrough a hidden enemy forces his hand Will the exploding truth destroy Henry and Gina's budding romance or inspire the greatest love story ever written
