John L. Sullivan

In Depth Ai Podcast Editor For Men:

Evaluating Digital Sources in Journalism Ståle Grut, 2023-12-28 Building on a rich journalistic tradition of critical source analysis this book considers the impact of the move from analogue to digital sources on information quality and presents methods and tools to verify information found online and help counter the spread of misinformation Evaluating Digital Sources in Journalism critically maps the prevalence of online manipulation particularly images and videos from social media platforms and considers the tools needed both to carry out and to counter this Strategies are proposed to help readers evaluate content context and sources and ultimately build a foundation for carrying out their own online open source investigations The author brings together theories and best practices from a broad range of literature including modern Scandinavian research on the concept of source criticism journalism and technology studies advanced forensic verification research and literature designed for practitioners including blogs and industry publications Evaluating Digital Sources in Journalism is recommended reading for advanced journalism students and journalism practitioners

Podcasting in a Platform Age John L. Sullivan, 2024-01-25 Podcasting in a Platform Age explores the transition underway in podcasting by considering how the influx of legacy and new media interest in the medium is injecting professional and corporate logics into what had been largely an amateur media form Many of the most high profile podcasts today however are produced by highly skilled media professionals some of whom are employees of media corporations Legacy radio and new media platform giants like Google Apple Amazon and Spotify are also making big and expensive moves in the medium by acquiring content producers and hosting platforms This book focuses on three major aspects of this transformation formalization professionalization and monetization Through a close read of online and press discourse analysis of podcasts themselves participant observations at podcast trade shows and conventions and interviews with industry professionals and individual podcasters John Sullivan outlines how the efforts of industry players to transform podcasting into a profitable medium are beginning to challenge the very definition of podcasting itself

Social Media for Journalists Frances Yeoman, Steve Harrison, 2025-12-29 This book offers a concise guide to using social media ethically and responsibly for journalism Focusing on the essential practical skills that journalists need to operate successfully across multiple social media platforms Social Media for Journalists takes readers step by step through the entire journalistic process from story generation and newsgathering through content creation and verification to dissemination and audience interactivity and considers how one can best utilise social media at every stage The book considers legal and ethical implications of social media use providing students with opportunities to reflect on the difference between what they can do and what they should do given the tools at their disposal Other critical topics introduced include the use of artificial intelligence ensuring mental wellbeing and the continued importance of journalists in a society in which everyone can publish widely Each chapter takes a quick reference Q A format and draws on case studies and examples from around the world and across various fields of journalism Social Media

for Journalists is an essential textbook for undergraduate students approaching online and multimedia reporting for the first time

Mike Nichols Mark Harris, 2022-02-01 One of The Hollywood Reporter's 100 Greatest Film Books of All Time A National Book Critics Circle finalist One of People's top 10 books of 2021 An instant New York Times bestseller Named a best book of the year by NPR and Time A magnificent biography of one of the most protean creative forces in American entertainment history a life of dazzling highs and vertiginous plunges some of the worst largely unknown until now by the acclaimed author of *Pictures at a Revolution* and *Five Came Back* Mike Nichols burst onto the scene as a wunderkind while still in his twenties he was half of a hit improv duo with Elaine May that was the talk of the country Next he directed four consecutive hit plays won back to back Tonys ushered in a new era of Hollywood moviemaking with *Who's Afraid of Virginia Woolf* and followed it with *The Graduate* which won him an Oscar and became the third highest grossing movie ever At thirty five he lived in a three story Central Park West penthouse drove a Rolls Royce collected Arabian horses and counted Jacqueline Kennedy Elizabeth Taylor Leonard Bernstein and Richard Avedon as friends Where he arrived is even more astonishing given where he had begun born Igor Peschkowsky to a Jewish couple in Berlin in 1931 he was sent along with his younger brother to America on a ship in 1939 The young immigrant boy caught very few breaks He was bullied and ostracized an allergic reaction had rendered him permanently hairless and his father died when he was just twelve leaving his mother alone and overwhelmed The gulf between these two sets of facts explains a great deal about Nichols's transformation from lonely outsider to the center of more than one cultural universe the acute powers of observation that first made him famous the nourishment he drew from his creative partnerships most enduringly with May his unquenchable drive his hunger for security and status and the depressions and self medications that brought him to terrible lows It would take decades for him to come to grips with his demons In an incomparable portrait that follows Nichols from Berlin to New York to Chicago to Hollywood Mark Harris explores with brilliantly vivid detail and insight the life work struggle and passion of an artist and man in constant motion Among the 250 people Harris interviewed Elaine May Meryl Streep Stephen Sondheim Robert Redford Glenn Close Tom Hanks Candice Bergen Emma Thompson Annette Bening Natalie Portman Julia Roberts Lorne Michaels and Gloria Steinem Mark Harris gives an intimate and evenhanded accounting of success and failure alike the portrait is not always flattering but its ultimate impact is to present the full story of one of the most richly interesting complicated and consequential figures the worlds of theater and motion pictures have ever seen It is a triumph of the biographer's art
