**The Investor's Creed** Dr. Lamin T Kamara,2013-04-23 The capability to distinguish  
blueprints tendencies and significant trade procedures is a first nature to becoming a part of the world s best trading  
associates in respective to this you need to be trained to see these blueprints through careful explanation real world  
examples as mentioned in this book and a lot of many other examples Today s business market is constantly changing every  
day As you begin your hunt for the perfect business consider starting close to the New York Stock Market the Stock Market

or the World Trade Center itself For instance if you re currently employed by a small business you like find out whether the present owner would consider selling it Or ask some business associates and friends who are already buying and selling stocks for leads on similar businesses that may be on the market Many of the best business opportunities surface by word of mouth or you can check the bulletin and are snapped up before their owners ever list them for sale Other avenues to explore include newspaper or online ads trade associations real estate brokers and business suppliers Finally there are business brokers people who earn a commission from business owners who need help finding buyers It s fine to use a broker to help locate a business opportunity but it s foolish to rely on a broker who doesn t make a commission until a sale is made for advice about the quality of a business or the fairness of its selling price Lamin Tombekai Kamara DBA **Smart Flexibility** Andy Lake,2016-04-01 Smart Flexibility Moving Smart and Flexible Working from Theory to Practice is an engaging and practical management book to help organisations implement Smart Working and take a business focused approach to Flexible Working Written for managers at the leading edge of change Andy Lake takes a strategic comprehensive and integrated approach to Smart and Flexible Working Taking an evidence based approach he sets out how to achieve measurable benefits across the Triple Bottom Line Starting from the underlying principles and the compelling context for change he takes a pragmatic approach to delivering change in each of the key areas of People HR Property and Technology The book is designed to help professionals understand the vital connecting points across disciplines as well as innovations in their own fields And there are separate chapters that look at the real impacts for sustainability the impacts for Smart Government how to manage the Anywhere Anytime Team and how to take people on the journey towards a Smart Flexibility organisational culture The book includes many insights based on the author s experience and the latest research many practical techniques for implementing change plus ten new case studies Smart Flexibility is essential reading for anyone involved in workplace change and increasing the efficiency of organisations It is aimed at managers who need to deliver change and will be of great interest to consultants in the fields of workplace design new technologies and HR OD Training
