wise way that avoids guilt vanity and immodesty Jules and Graham Cole bring their expertise to bear on this question in this unique collaboration Jules as a fashion designer and Graham as a theologian This book pays attention to differences in body type and the challenge of best fit and does so in an environmentally sustainable way In this work you will find hints on how to dress and how to coordinate a wardrobe that is economically responsible and minimizes landfill The book seeks to honor the God of the Bible who values beauty The discussion culminates in considering the ultimate wardrobe change Fashions come and go but to be clothed with Christ is never out of date **The Washington Post Index** ,1989 *The Love Contract* Steph Vizard,2023-09-01 Can she pretend to love her neighbour An award winning modern rom com for all fans of fake dating enemies to lovers stories I didn t know the guy next door And given he was now my daughter s manny and my fake boyfriend I needed to find out Single mum Zoe had the parenting thing all figured out with little Hazel until a childcare drought derailed her plans to return to work Enter Will Zoe s nemesis and frustratingly handsome neighbour When Will s boss mistakenly assumes Will is Hazel s father and insists he take parental leave it seems like a simple white lie could get Zoe out of a jam and help Will to make partner at his law firm But life with an adorable toddler and a growing attraction between Will and Zoe is never as tidy as their agreement s bullet points and dry clauses suggest As they get deeper into the lie the lines between truth and fiction blur But Zoe s hiding a secret and when it comes out the consequences for all of them could be devastating A witty warm page turner about love friendship and the glorious chaos of new motherhood We re officially Steph Vizard s biggest fans Ali Berg and Michelle Kalus The Book Ninja Crisp sweet and delicate The Love Contract is pure indulgence Vizard s writing sucks you in and wrings you out An ideal cosy weekend read Genevieve Novak *Crushing A* snappy fun read about juggling your love life with motherhood and how messy it can all get in the best possible way Saman Shad *The Matchmaker* A delightful heart warming read that left me with all the feels Steph Vizard s engaging writing and endearing characters had me jumping headfirst into the story Adorable and realistic this is an absolute gem of a rom com Karina May author of *Duck l Orange for Breakfast* *DADLY Dollar\$: How Marketing to Dads Will Increase Revenue and Strengthen Families* Hogan Hilling,Tom Konecny,Don Hudson,2017-06-18 The idea of marketing to dads is as unconventional as a dad who chooses to relinquish his role as the primary breadwinner to become the primary caregiver for his family But as the at home dad movement has demonstrated since the birth of the National At Home Dad Network in 1996 it has had a profound impact in the changing role of today s modern dads who now view parenting as a shared responsibility One of which is as the primary or part time shopper for their families Since dads represent half the parenting population this book raises the following questions Why don t companies view marketing to dads as an opportunity to increase revenue and potential profits Why do companies and advertisers continue to ignore the purchasing power of dads Why haven t companies conducted extensive studies on how dads buy products and services and also how to reach and connect with dads Research clearly shows that the dynamics of today s families and role of parents continue to evolve Yet companies and advertisers

continue to use old school marketing strategies with mom as its primary target audience Yes the thought of dads as a potential primary or even part time shopper is hard to embrace as it was decades ago when companies shied away from the thought of a woman becoming the primary breadwinner The success of women in corporate America alone should indicate the reason for a change in a company or advertiser s marketing strategy DADLY Dollars will introduce companies and advertisers to a new untapped consumer dads It will also teach them how to reach and connect with dads market to dads capitalize on their purchasing power and how marketing to dads will increase their revenue profit and brand loyalty In addition it will also show a company the overall benefits to the economy families and communities
