A BRAND New You Austin E. Thompson, Jr., MBA, MPM, 2010-02-19 I took personal pride in composing this book on personal branding with a purpose of reaching entrepreneurs who are interested in enhancing their personal self image in parallel with the image of their businesses for working professionals who are on the fast track up the corporate ladder and may wish to gain an edge on the competition and for college students who are preparing for a professional life after their academic journey Personal branding is not new but has become increasingly important for many professionals in recent years who seek a competitive advantage over their counterparts to stand out and be noticed among a plethora of talented candidates This is even more imperative now than a few years ago as we are faced with 10% national unemployment with over 7 million workers laid off since the recession began back in December 2007 In some U S cities unemployment is over 50% with the unemployment rate in some states exceeding the national rate With so many professionals out of work fighting to get re employed in a job and career commensurate with their skills and education the task has become increasingly challenging leaving many unemployed individuals hopeless while confronted with life changing decisions Trying to stand out and be recognized in a dense pool of qualified candidates is not as easy as it may have been in the past with companies directing millions of candidates to their websites on which to post resumes and create lengthy and time intensive profiles The job search has become a faceless and mundane process with very little success and with increased frustration to many who continue to sink into an abyss of debt and personal despair With this situation looming those out of work professionals will have to think outside the box on how to get noticed be recognized and make a positive impression on recruiters and hiring managers constantly searching for suitable talent Candidates will have to market and promote themselves as a BRAND a successful personal image that translates quality success integrity impressiveness reliability and bringing value to the company of their interest Personal branding will ensure that companies identify you with the strength and true worth in what they look for when considering candidates For those who are fortunate to still be employed personal branding is just as important to achieving success in the work place Companies are constantly looking for ways to trim the fat and become lean in their operations Hence operational efficiency is their ultimate goal Akin to this effort of process improvement is doing more with less which often influences the elimination of human labor This occurs when companies experience a reduction in

profits have less retained earnings to expand operations and invest in growing the business and realizing diminishing returned value to their shareholders Oftentimes workers must be let go if they are determined to be part of non producing or non revenue generating functions of the organization or if they themselves are perceived to be adding little value to the organization If a company believes it can do without you it will let you go in a layoff or downsizing It is not a personal matter but a business decision that companies large or small are confronted with on a constant basis It is all about the bottom line and keeping the doors open Working professionals have to determine how they are identified by their companies How strong is your personal BRAND and how valuable are you to your employer What differentiates you from your peers that make you stand out What type of impression are you making on your company Are there any weaknesses that you have to strengthen These are some of the questions that you must honestly ask yourself and answer Performing an honest assessment on your personal BRAND will capture the things that make you valuable to your employer while at the [Nomad Money](#) Barrett Williams,ChatGPT,2024-12-30 Unlock the secrets to living and thriving as a modern day explorer with Nomad Money Immerse yourself in the world of remote work and discover how to break free from the traditional 9 to 5 grind Whether you re just starting your journey or looking to refine your skills this guide offers invaluable insights to help you navigate life as a digital nomad Start by embracing the transformative shift of remote work Learn how to redefine your career overcome the challenges of a nomadic lifestyle and turn your dreams into reality Discover the power of specialization in crafting a unique skill set tailored for the digital realm Dive deep into the field of remote graphic design where creativity knows no bounds and opportunities await at every turn Building an impressive portfolio is key Gain expert techniques for curating and showcasing your work online leveraging platforms and social media to gain maximum exposure Navigate the freelance marketplace with confidence master the art of creating irresistible profiles and winning sought after projects Networking has never been more essential Build meaningful connections and embrace the spirit of collaboration in digital communities Establish a commanding personal brand communicate your value and maintain consistent messaging to stand out in the crowded virtual space Explore pricing strategies and negotiation tactics that reflect your true worth Find balance on the road with effective time management techniques productivity tools and strategies for overcoming common distractions Secure a steady income with diversified revenue streams and smart financial management Stay connected with the world as you set up your mobile office ensuring you have the essential tools and equipment to work from anywhere Cultivate wellness on the move with tips for maintaining work life balance and looking after your physical and mental health Packed with real life stories and lessons from successful digital nomads Nomad Money inspires and equips you to forge your own path Prepare to adapt learn and grow ensuring your digital nomad career is future proof and fulfilling Transform your lifestyle today and explore a world without limits [Online Personal Brand](#) Ryan M. Frischmann,2014-07-19 Online personal branding is a requirement for all professionals The common argument of the experts is you have a digital footprint in social media and on the internet so

people are already making impressions of you Take control of their perceptions More importantly you have an opportunity to proactively project your personal brand onto networks Two other advantages of personal branding are that it forces you to be visionary of your career goals and helps you land favorable employment This books shares a functional angle to personal branding that is refreshingly simpler than the traditional marketing angle The definition of an online personal brand is the combination of a skill set an aura and an identity and there is discussion where the concepts overlap *Unleash Your Brand: Mastering Personal Branding in the Digital Age* Dizzy Davidson ,2024-09-21 Are you struggling to fully understand personal branding Do you find it challenging to stand out in the crowded digital landscape You re not alone *Unleash Your Brand Mastering Personal Branding in the Digital Age* is your ultimate guide to overcoming these challenges and building a powerful personal brand that resonates Benefits of Reading This Book Unlock Your Potential Discover your unique strengths and how to showcase them effectively Master Digital Tools Learn to leverage the latest digital tools for efficient brand building Create Impactful Content Develop engaging content that captures your audience s attention Build a Strong Online Presence Establish a consistent and authentic digital footprint Expand Your Network Connect with influencers and build a supportive community This book is packed with actionable insights and practical tips to help you understand and utilize personal branding effectively Whether you re a budding entrepreneur a seasoned professional or someone looking to reinvent themselves this book provides the tools and strategies you need to succeed Why This Book is Essential Comprehensive Guide Covers all aspects of personal branding in the digital age Expert Advice Insights from industry leaders and successful personal brands Step by Step Approach Easy to follow instructions and real life examples Future Proof Your Brand Stay ahead of the curve with the latest trends and technologies Viral Bullet Points Identify Your Unique Value Proposition Craft a Compelling Personal Narrative Utilize Digital Tools for Content Creation Engage with Your Audience on Social Media Monitor and Adapt Your Brand Strategy Call to Action Don t miss out on the opportunity to transform your personal brand and stay ahead in the digital age Get your copy of *Unleash Your Brand Mastering Personal Branding in the Digital Age* today and unlock the benefits of personal branding for your journey *The Personal Branding Playbook* Amelia Sordell,2024-12-04 Take control of your personal brand and become a person of influence today Everyone has a personal brand You have a personal brand with the people you work with the people you love the people who serve you your morning coffee and the people who you greet on your morning commute Every single interaction we have builds a picture of who we are as a person a personal brand But what that personal brand looks like depends on whether or not you re willing to take control of your own narrative or allow other people to write it for you Written by Amelia Sordell founder of one of the world s leading personal branding agencies *The Personal Branding Playbook* Turn your personality into your competitive advantage reveals the strategy and tactics Amelia used to build a reach of over 100 million people and a 100% inbound model This tactical guidebook will first show you how to take control of your personal brand and build an entirely authentic reputation that drive
