that whether our concern is with teenage pregnancy crime violence against women educational failure or child poverty no
social trend of our generation is more dangerous than fatherlessness It weakens families harms children causes or
aggravates our worst social problems and makes individual adult happiness harder to achieve This explosive book goes
beyond documenting the effects of fatherlessness on individual families to show how the very ideal of fatherhood is under
siege with devastating consequences for society at large Fathers are increasingly seen as expendable or as part of the
problem Does every child need a father David Blankenhorn asks Increasingly our answer is no or at least not necessarily
