Honest Remote Work Productivity Ideas For Moms:

Myths of Work Ian MacRae, 2022-10-03 Buying a table tennis table will make your staff happier Working eight hours a day five days a week will result in the most productivity Paying higher salaries will always result in higher motivation But will it really There are a staggering number of myths stereotypes and out of date rules that abound in the workplace This can make it feel impossible to truly know how to get the most out of your career your team and your company In *Myths of Work* Ian MacRae take an entertaining and evidence based look at the most pervasive myths about our working lives from the serious to the ridiculous to give you the insight you need to become a better manager in the modern workplace Fascinating real life case studies from organizations around the world display the myths and how to overcome them in practice *Myths of Work* combines business thinking with psychology to give you practical insights a lively writing style and a handy dip in and out structure to form your ultimate guide to becoming a better and enlightened manager About the Business Myths series The Business Myths series tackles the falsehoods that pervade the business world From leadership and management to social media and the workplace these accessible books overturn out of date assumptions skewer stereotypes and put oft repeated slogans to the myth busting test Both entertaining and rigorously researched these books will equip you with the insight and no nonsense wisdom you need to succeed *Working Mother* ,2006-07 The magazine that helps career moms balance their personal and professional lives *The Palgrave Handbook of Change and Resilience at Work* Joan Marques, 2025-07-29 This handbook focuses on two critical aspects in today s professional environments change and resilience Change has manifested itself as a constant in today s world often caused by factors beyond our control Resilience emanates from our efforts to convert changes from challenges into opportunities The book addresses three main themes 1 adapting to a changing work landscape which explores the historical societal technological and global factors influencing work environments 2 leadership in times of flux investigating leadership roles and strategies during organizational change including communication tactics ethical considerations and 3 the transformative impact of leadership and building resilience in the face of uncertainty encompassing leadership and self leadership humor collaboration and adapting ancient traditions to modern challenges Due to its fascinating range of topics this handbook will be of interest to a broad range of readers including researchers practitioners and coaches interested in understanding organizational operations and employees adaptations to societal changes **Flexible Lives** Stefanie Reissner, Michal Izak, 2025-08-07 This geographically and methodologically diverse volume shines the spotlight on a variety of flexible working practices beyond the predominantly Western perspective and zooms in on the gendered aspects of flexible working The increasing use of flexible work arrangements has decoupled work from time and space making the world of work and home increasingly fluid and challenging to manage The Covid 19 pandemic in particular has been a catalyst for questioning accepted norms of where when and how work takes place This book seeks to explore the impact which this reshaping of traditional modes of working has had on workplace interactions and

relationships as well as on managing the boundaries between familial and working lives In this way this collection contributes to a wider dialogue concerning the flexibility challenges encountered by white collar workers which is needed now more than ever This book will be relevant to scholars practitioners and policymakers in the fields of gender studies organizational behavior human resources and labor economics It will be particularly useful for those examining the impact of remote work the future of work organizational culture and the social and economic implications of shifting work practices The chapters in this book were originally published in *Culture and Organization* and are accompanied by an updated Introduction and a new Epilogue
