practices beyond the predominantly Western perspective and zooms in on the gendered aspects of flexible working. The increasing use of flexible work arrangements has decoupled work from time and space making the world of work and home increasingly fluid and challenging to manage. The Covid 19 pandemic in particular has been a catalyst for questioning accepted norms of where when and how work takes place. This book seeks to explore the impact which this reshaping of traditional modes of working has had on workplace interactions and relationships as well as on managing the boundaries between familial and working lives. In this way this collection contributes to a wider dialogue concerning the flexibility challenges encountered by white collar workers which is needed now more than ever. This book will be relevant to scholars practitioners and policymakers in the fields of gender studies organizational behavior human resources and labor economics. It will be particularly useful for those examining the impact of remote work the future of work organizational culture and the social and economic implications of shifting work practices. The chapters in this book were originally published in *Culture and Organization* and are accompanied by an updated Introduction and a new Epilogue.

[Job Moves](#) Ethan Bernstein, Michael B. Horn, Bob Moesta, 2024-11-19 Have you ever asked yourself whether your career is moving in the right direction? Finding the right next job isn't just a flip of a coin. With the right strategy and mindset you can shape your future. *Job Moves* presents a radical new vision of career development. Drawing upon their research from the Harvard Business School the authors offer nine practical steps to transform your career by helping you understand your true priorities the experiences you hope to gain what trade offs you're willing to make and how to learn if a new job will deliver before switching. Together the authors will help you decide which skills to develop build your network and make the progress you desire. Whatever your direction *Job Moves* will help you take the first step towards your dream job.

[Leading the Digital Workforce](#) Jeffrey W. Brown, 2023-06-19 Future IT leaders won't be technology leaders they'll be business leaders who understand technology. *Leading the Digital Workforce* takes a fresh look at technology leadership exploring how to lead and manage in today's digital workplace where the pace of change is exponential. This book walks you through building personal resiliency and avoiding stress and burnout to creating a strategy building a high performance team and examining how technology will change the workforce of the future. Technology leadership requires a unique set of skills which is why traditional leadership approaches don't always work. This book provides actionable advice on how to create a culture of innovation while driving successful change initiatives. *Leading the Digital Workforce* provides strategies for empowering people optimizing processes and inspiring innovation. This book offers insights into managing change leveraging technology and building strong relationships within your organization including how to understand and work with company culture. Finally it shares strategies for using technology and innovation to create a competitive edge to unlock new opportunities. *Leading the Digital Workforce* is essential reading for IT leaders who want to develop their skills stay ahead of the digital curve and lead their organizations into the future. No matter if you're a new IT leader an aspiring one or a seasoned leader who's been at it for
