isn't about replacing human creativity with artificial intelligence. It's about amplifying existing advantages through strategic automation. The book teaches you to identify unfair advantages whether life experience, professional network, or availability during odd hours and systematically convert them into income-generating systems working while you sleep, parent, travel, or pursue passions. The comprehensive prompt library eliminates the learning curve, allowing immediate implementation. Action checklists ensure you're not just reading but doing. Real-world examples show both spectacular wins and cautionary tales, preparing you for every scenario. Join thousands discovering the AI gold rush isn't just for Silicon Valley insiders. Your demographic isn't a limitation; it's your secret weapon in the 72 billion AI economy. Stop watching. Start building. Your automated income stream awaits.

My City Links, 2020-08-01 WFH: An Innovative Concept That Can Get Uncomfortable At Times. The world as we know it may not be the same again at least until an effective cure is found for the Coronavirus, which has devastated the world since the beginning of 2020. Social distancing has become the norm, as has the use of face covers and regular washing of hands to keep the virus at bay. The most noticeable and powerful impact has, however, been on the way we work. In our Cover Story, we try and understand how the concept of Work From Home or WFH has changed the way people have been living their lives these past few months. As we speak to employers and employees, there is a noticeable sense of inevitability and resignation that this is something that is not going to change anytime soon.
