more professionally share content consistent with their brand and better serve their customers and potential customers The Content Planner provides a structure that focuses each business on content that supports their business objectives The Content Planner is for anyone who publishes online You might own an established business or be starting a new entrepreneurial venture Maybe you're a creative entrepreneur a writer an artist a musician wanting to raise your profile and share your work with a wider audience Whatever your role and situation this book will help you get your ideas online efficiently and effectively By using an editorial calendar to plan a month of online content in advance each business saves time builds relationships with customers writes more professionally shares content consistent with the brand better serves their customers and potential customers The Content Planner provides a structure that focuses each business on the types of content that support their business objectives The process also formalizes their plans in a pen on paper calendar to use as a work plan By knowing what to write about and when writers can take timely action The download kit includes Goal Tracking Worksheet Promotion Checklist Calendars for Planning And more content planning resources

Good Content Stanley Idesis, 2018-06-11 There's a sucker born every minute Marketing Executives Man Thankfully the free flow of digital information threatens the world's supply of suckers and that's fantastic news As a human with Internet access your search request puts every big brand solo blogger little startup and rising social media star on an even playing field The wide variety among search results and social media posts helps you filter the authentic from the awful And if you are capable of doing that so are your customers If you're tired of competing for attention with gimmicks writing content that oversells or pitching yourself as the 1 solution at all times you've come to the right place This book provides a content strategy that places the reader first As a reader of content yourself you search the Internet for high quality objective information not sales pitches This strategy helps you design information for your potential customers lead them to your business and once they've converted nurture that relationship The Good Content strategy accomplishes those goals by dividing content into 3 familiar funnels Top Here your content serves the reader's needs helps them entertain them and does so with little or no branding This stage earns their respect and builds their trust Middle Interested readers dig deeper to discover more This content engages them by writing from their perspective and the benefits they receive from you and your business Post After the reader converts to a paying customer you serve them personalized content that enriches their experience and grows the relationship Along the way you maximize content potential by studying metrics and data at every step This Strategy Is Not for Everyone Good Content requires candor some find it difficult to write truthfully Good Content requires you respect and acknowledge your competitors not all feel able or ready to do so Good Content demands that you support your decisions with data some find the idea of analytics keyword research and funnel optimizations daunting But if you're more than prepared to handle those requirements read on Inside The Book A top to bottom content strategy that builds trust leads and respect 3 exercises to help you generate content ideas at every stage High level writing tips to keep your content engaging and honest

Brief introductions to Google Analytics Search Engine Optimization Content Management Systems Keyword Research and more An overview of off site and on site metrics that help you measure your content s performance Index of necessary tools and skills required to implement the strategy A thorough glossary of definitions Bonus an exclusive PDF print out for readers Not Inside The Book Step by step tutorials for Google Analytics WordPress Search Console or any other tool this is a high level text about content and content strategies What People Are Saying About Good Content A thoroughly entertaining guide to content marketing F Alexander Great read perfect for those getting started and for those that have lost their way F Idesis that s my little brother technically he s people A very helpful introduction to content marketing I walked away with an expanded view on what it means to market yourself in a virtual shameless world M Dynkin
