Discipleship Charles R. Swindoll, 1998-09-01 *Discipleship* Charles R. Swindoll, 1990 **One-on-one Discipleship** Charles R. Swindoll, Gary Matlack, Jason Shepherd, Lee Minis Hough, 1999 **Transforming Discipleship** Greg Ogden, 2016-10-02 Greg Ogden recovers Jesus method of accomplishing life change by investing in just a few people at a time In this revised and updated edition Ogden sets forth his vision for transforming both the individual disciple and discipleship itself showing how discipleship can become a self replicating process with ongoing impact from generation to generation

Discipleship Charles R. Swindoll, 1990-07 Discipleship on Fire Scott Thom, 2015-07-22 When the New Testament Church started it grew rapidly but there were no churches Disciples met in homes yet Christianity exploded all around the world How did the apostles do it They built people not buildings They poured themselves into others who in turn mentored even more It was a strong solid church that withstood persecution and hardships This book is a step by step Biblical system to disciple anyone If you are a parent teacher coach or especially a leader in the church you will find this book a continual reference You can recapture the essence of how Jesus trained for success The apostle Paul said Follow me as I follow Christ It is a simple principle but if followed it will set your world on fire The strong family Charles R. Swindoll, 1997

Origination of Something Glorious Charles R. Swindoll, 1995 In this first of a four volume study on Luke s gospel you ll meet the God of the Universe who came in human flesh healing the sick comforting the hurting guiding those who are without direction and touching the untouchable Making Disciples Sylvia Wilkey Collinson, 2007-01-01 The Christian faith community regards the making of disciples as a prime directive of Jesus himself though this theme is not dominant in contemporary models of teaching in the church This investigation seeks to develop a theory of discipling and to test its congruence as an effective educational strategy with the objectives of modern Christian faith communities After briefly examining the discipling model of teaching as practiced in the world of the Ancient Near East a detailed study of New Testament texts investigates the practice of discipling by Jesus and his followers and in the church of the first century An understanding of the concept of discipling is gained by gradually refining its definition as the study progresses through a contemporary examination of other informal models of education Religious and educational research findings are explored to enable the validity of the discipling model to be determined Finally the definition is used as a benchmark to examine various contemporary educational theories within the community of faith In contrast to the schooling model discipling has been shown to be an effective model for teaching attitudes values and behavior as well as knowledge and beliefs in today s church Its emphasis on commitment to learning relationships within a nurturing community and active involvement in the mission of Christ to the world and its capacity to adapt to differences in age culture ability and interests make it a model of teaching worthy of much greater attention by the Christian faith community **The Declaration of Something Mysterious** Charles R. Swindoll, 1995-07-14 This Bible study guide looks at the teachings of Jesus recorded in Luke centering on those stories

about simple things that led his hearers into the deepest mysteries of God mysteries explaining the splendor of His kingdom and how we may enter in **Discipleship in a Post-Christian Age** Thiago Silva, 2025-05-20 This is an age where Christianity is no longer the assumed foundation of culture Instead secularism relativism and individualism shape how people think live and even approach faith Many within the church have unknowingly embraced a shallow self focused spirituality that offers comfort without transformation How can the church recover a robust life giving vision of discipleship in such a world With a little help from C S Lewis this book offers a way forward Lewis s insights rooted in reason imagination and community speak powerfully to this modern crisis equipping believers to engage both mind and heart Through cultural analysis and biblical wisdom this book calls the church to rediscover discipleship as an intellectual imaginative and relational pursuit one that forms resilient thoughtful and deeply rooted followers of Christ Whether picked up by a pastor church leader or everyday disciple longing for deeper faith this book will challenge and inspire readers to cultivate a Christianity that is not only true but beautiful and compelling in an increasingly post Christian world **Josh McDowell's Youth Ministry Handbook** ,2000 Drawing on the wisdom of insightful leaders around the country Josh McDowell s Youth Ministry Handbook equips youth workers to help teens connect with God their parents peers and a world in need of Christ Featuring articles from Dawson McAllister Tony Campolo Barry St Clair and others this invaluable leadership resource provides practical useful ideas for today s youth workers **Guidebook to Discipleship** Doug Hartman, Doug Sutherland, 1976 **Words on Cassette, 2002** R R Bowker Publishing, 2002 *Discipleship* Billie Hanks, William A. Shell, 1993 *Upper Room Disciplines* 2009 Upper Room Books, 2008-07-05 **RTS Ministry** ,1988 **Just the Facts** Micheal L. Selleck, Mike Selleck, Natalie L. Woods, Mike Wright-Chapman, 1996-09 **Golden Rule Leadership** Gordon Ferguson, 2001 **Theology and the Social Consciousness** Henry Churchill King, 2022-08-01 In *Theology and the Social Consciousness* Henry Churchill King presents a seminal exploration of the interplay between the burgeoning social awareness of the early 20th century and theological thought King s work meticulously threads through the complex relationship between burgeoning societal norms and religious frameworks making it a text of considerable depth and etymological sophistication This second edition assiduously prepared by DigiCat Publishing preserves the integral themes of King s original work while presenting them within the contours of contemporary accessibility both as a traditional print and in the digital sphere thus inviting a renewed examination of King s theological discourse within modern literary context Henry Churchill King a theologian and an academic authored the present work at a time when industrialization and social reform were radically altering the social landscape King s own tenure as President of Oberlin College a bastion of progressive thought and educational reform no doubt provided ample context and insight for his exploration into the necessity of theology to engage with social issues His keen observations reflect a deep understanding of both the potential and the peril that come with the intersection of faith and social conscientiousness rendering his reflections as critical now as they were at the time of writing *Theology and the Social*

Consciousness is an essential read for those interested in the dynamic between religious thought and social change. Students of theology, history, and social sciences will find King's treatise a profound contribution to their disciplines. Furthermore, the conscientious effort by DigiCat Publishing to make this work accessible to a contemporary audience ensures that King's vision of a theology responsive to the needs of society can continue to inspire and educate readers on the enduring relevance of integrative, socially engaged spiritual discourse.
