Discipling Nations Darrow L. Miller, Stan Guthrie, 2001-08 The power of the gospel to transform individual lives has been evident throughout New Testament history But what of the darkness and poverty that enslave entire nations Miller builds a powerful convincing thesis that God s truth can free whole societies from deception and poverty Excellent study of worldviews Turn the World Upside Down Michael Maiden, 2011-08-16 Many Christians have been preaching the gospel of salvation and attempting to disciple the nations by bringing people into their church congregations but they have not seen their cities and countries transformed Jesus however preached the Gospel of the Kingdom and He equipped and empowered His disciples to turn the world upside down in a drastic cultural transformation In the Bible mountains usually represent the authority of kingdoms Learn how you can occupy the seven mountains of authority family church business government education arts entertainment and media and bring Heaven s influence to earth transforming your culture and discipling the nations You will learn How the Gospel of the Kingdom turns the world upside down What the seven mountains of authority are How to take your mountains with the Gospel To step into your destiny as a world changer Maiden writes You were predestined for a reason and purpose by God Your gifts anointing personality and history will all synergize into a dynamic purpose when you find your mountain Tackle your mountain today His Kingdom Come Jim Stier, Richlyn Poor, Lisa Orvis, 2008 Jesus final words to his disciples ring down through the ages preach the gospel to every individual and disciple every nation Preach the gospel Got it But what does it mean to disciple the nations Do I preach or teach To individuals or groups of people What exactly did Jesus want me to do Come explore these questions through Scripture history and the ideas and experiences of those who are actively engaged in discipling nations You ll discover that God s kingdom comes in and through many ministries vocations and locations from university campuses to developing regions in kitchens and boardrooms through government journalism and the arts All followers of Christ not a select group are needed to bring God s grace and truth to individuals cultures and nations to do the works God prepared in advance for us to do Jesus words are for each of us wherever we are and whatever God has gifted us to do What does it look like for you for the body of Christ worldwide to respond passionately and creatively to the call of God in our day to see every person and every nation transformed

Beliles,2016-10-12 Christ s Strategy to Transform Nations is a comprehensive look at the Biblical best practices that over history have proven to transform nations for good Dr Mark Beliles Ph D draws from his 30 years of studying Christian thought and actions in many nations He has personally visited over 50 nations as well His research led him to a startling find Never has prayer church growth and revival been enough to significantly transform a nation He discovered that the missing element is found in Christ s Great Commission to disciple the nations When Christians have intentionally focused on not only training leaders for the church itself but also the nation eventually the culture is changed The Pilgrims who settled America and the Founding Fathers shared in this commitment and they founded the most transformed nation in history But today most of it is lost Business as usual for the modern church is not working We must return to the historically proven practices that transforms culture Following the signs that Christ said would follow them the book presents 3 major practices for 5 different areas of life Rich with historical examples and modern testimonies the reader comes away not just inspired but prepared to begin developing a long term strategic plan for his own community Discipling the Nations Peter Ozodo,1997 Discipling the Nations ,1975 **Discipling the Nations** Richard De Ridder,1985 **Discipling Nations** Delron Shirley,2012-07-16 The fly in the ointment that has hindered the church from accomplishing its mission in the nations of the world has been the mistaken assumption that disciple making is complicated and requires specially trained teachers to accomplish the task This

erroneous idea has crippled our efforts by truncating our forces to only a select few workers and stalled our progress by forcing us into believing that discipling is a long involved process In reality the biblical pattern of disciple making does not require trainers with theological degrees nor is it a complicated process Join missionary and Bible teacher Delron Shirley as he takes you through his journey of discovery into God s plan for discipling the nations Discipling Mark Dever,2016-04-14 Before ascending to heaven Jesus instructed his followers to make disciples of all nations But what does this command actually entail What does it look like for Christians to care for one another s spiritual well being and growth In this introduction to the basics of discipling veteran pastor and author Mark Dever uses biblical definitions and practical examples to show how Christians can help one another become more like Christ every day The eighth volume in the 9Marks Building Healthy Churches series this short book explains how discipling should function in the context of the local church teaching pastors and church leaders how to cultivate a culture of edification and growth in their congregations *Discipling the Nations ...* James C. Ezemadu,2000 *An Effective Strategy for Discipling the Nations* Mark M. Hanna,1983 The Underground Isaac Grose,Herb Hodges,2015-02-06 To know follow love reproduce and multiply the person and purpose of Jesus Christ is indeed the greatest joy in all of life We exist to glorify God and enjoy Him forever to spread a passion for His supremacy in all things for the joy of all peoples Yet we often wonder what does this look like practically And why is this greatest joy so rarely modeled and multiplied in the lives of believers and churches today This study seeks to answer these questions from the Scriptures in a clear and reproducible manner As we examine God s Word we see a simple process for glorifying God by making disciples of all nations a process that calls us to base our lives on the gospel build our lives around the Word multiply our lives through intentional disciple making and ultimately lay down our lives for the sake of total world impact May this study be a helpful tool for these purposes in your life and in the lives of those you invest in **Baptism and the Wesleyan conference** Baptism,1882 **Basic Training for the Supernatural Ways of Royalty** Kris Vallotton,2011-05-28 You are part of the Kings Royal Family This training manual will take you on a systematic journey into your God given destiny You will dispel the pauper mindset uproot the poverty mentality and integrate royalty into the deepest core of your being Basic Training for the Supernatural Ways of Royalty will help to unearth your God
