Discovering Christ In Revelation:

Discovering Christ in Revelation , **Revelation** Dr Roy C. Naden,2016-05-24 Of all the books of the New Testament Revelation is one of the most difficult to interpret and understand At first reading the startling images of beasts dragons and false prophets plus many numbers great and small seem to defy meaning and understanding This all seems contradictory to the book s opening words The revelation of Jesus Christ The key to understanding the Bible s last book is to establish a set of interpretive keys to unlock the symbols especially all the numbers found in so many of the chapters This volume is based on such a set of keys The commentary begins by revealing the structure of the book using a device common in much Jewish writing At the heart of this structure Jesus is revealed ensuring the fulfillment of the book s opening sentence Revelation is the twin of a corresponding volume Daniel which interprets the biblical text utilizing the same interpretive keys The study of the Bible s last book reveals a strong connection with the Old Testament volume by the prophet Daniel that bears his name In fact John borrows from Daniel on scores of occasions and includes some of its key symbols Thus our understanding of both books is enhanced by studying them together Discovering Christ In Genesis Donald S. Fortner,2023-02-13 This volume is not intended to be a thorough exposition of the book of Genesis My only purpose is to set forth as simply and clearly as I am able the grace and glory of God in Christ in the opening pages of Holy Scripture So states Don Fortner in the preface to this volume and this is precisely what he does By commenting on the principal characters to whom God revealed himself in the book of Genesis and the major events of their lives the author brings to light the presence of Christ and the evidence of God s great plan of redemption in these opening chapters of the bible But he does not leave it there concerned to impart to the reader a greater appreciation of Christ the Saviour of sinners the author intersperses teaching and application with the intention of encouraging believers to live lives of worship and committed service to Christ 1 Creation 2 The First Week 3 The First Marriage 4 Two Trees 5 The Fall Of Man 6 Adam And Christ 7 Adam Driven From Eden 8 Cain And Abel 9 Enoch 10 Noah 11 The Ark 12 God s Covenant With Noah 13 The Rainbow 14 Noah And His Sons 15 Babel The Religion Of The Cursed 16 Abraham 17 The God Of Glory Appears To Abram 18 The Strife Between Abram And Lot 19 Abram And Melchizedek 20 Justification By Faith 21 Standing On Justified Ground 22 El Shaddai The God Of The Covenant 23 Lot 24 Sarah And Hagar 25 The Sacrifice Of Isaac 26 Jehovah jireh 27 Isaac 28 Jacob 29 Jacob s Ladder 30 Jacob Object Of Grace 31 Jacob At Peniel 32 Joseph A Type Of Christ 33 Joseph Brought Down To Egypt 34 Joseph Opens The Storehouses 35 Joseph And His Brothers 36 A Surety For Benjamin 37 Jacob s Fear Removed 38 Jacob s Prophecy Concerning Judah 39 Boundless Blessedness 40 Three Lessons From Joseph Index Of Bible Verses **Discovering Christ in Genesis** D. Fortner,2002-01-01 This volume is not intended to be a full exposition of the Book of Genesis The purpose is to set forth as simply and clearly the grace and glory of God in Christ in the opening pages of Holy Scripture So states Don Fortner in the Preface to this volume and this is precisely what he does By commenting on the principal characters to whom God revealed himself in the book of Genesis and

the major events of their lives the author brings to light the presence of Christ and the evidence of God's great plan of redemption in these opening chapters of the Bible But he does not leave it there concerned to impart to the reader a greater appreciation of Christ the Saviour of sinners the author intersperses teaching and application with the intention of encouraging believers to live lives of worship and committed service to Christ

Reverend Chantain M Lennon *Discovering Christ the Servant* Deacon Dominic Cerrato, Ph.D., 2022-03-24 Because Jesus came not to be served but to serve Mk 10:45 his Mystical Body the Church is essentially a servant Church It's precisely through this service that she carries out her mission The ancient diaconate was instituted and has been restored in our time not simply to stand alongside priestly religious and lay ministry but to imbue and empower each with a renewed sense of service Indeed the Greek word diakonia which is translated in English as service can also be translated into the Latin word ministerium translated in English as ministry Thus when we look at episcopal ministry priestly ministry religious ministry or lay ministry service is essential to all Service is not something we do but someone we give our very selves It is an act of love rooted in a divine love already poured out for us This book provides a radical but thoroughly consistent rethinking of the Christian life that takes up the tradition and builds upon it in a way that is both old and new About the Author Deacon Dominic Cerrato Ph.D. is editor of OSV's The Deacon magazine executive director of Diaconal Ministries and director of the diaconate for the Diocese of Joliet He also offers spiritual direction through the Pastoral Solutions Institute Formerly he
