Raymond Lamont Brown charts the life of Andrew Carnegie from Dunfermline bobbin boy to Steel King of America **The Kingdom of Fife** Glen L. Pride,1990 **Witchcraft and Folk Belief in the Age of Enlightenment** Lizanne Henderson,2016-04-08 Taking an interdisciplinary perspective Witchcraft and Folk Belief in the Age of Enlightenment represents the first in depth investigation of Scottish witchcraft and witch belief post 1662 the period of supposed decline of such beliefs an age which has been referred to as the long eighteenth century coinciding with the Scottish Enlightenment The late seventeenth and early eighteenth centuries were undoubtedly a period of transition and redefinition of what constituted the supernatural at the interface between folk belief and the philosophies of the learned For the latter the eradication of such beliefs equated with progress and civilization but for others such as the devout witch belief was a matter of faith such that fear and dread of witches and their craft lasted well beyond the era of the major witch hunts This study seeks to illuminate the distinctiveness of the Scottish experience to assess the impact of enlightenment thought upon witch belief and to understand how these beliefs operated across all levels of Scottish society Guide to the East Neuk of Fife David Hay Fleming,1886 **The Witches of Fife** Stuart Macdonald,2002 Along the coast of Fife in villages like Culross and Pittenweem historical markers and pamphlets now include the fact that some women were executed as witches within these burghs Still the reality of what happened the night that Janet Cornfoot was lynched in the harbour is hard to grasp as one sits in the harbour of Pittenweem watching the fishing boats unload their catch and the pleasure boats rising with the tide How could people do this to an old woman Why was no one ever brought to justice And why would anyone defend such a lynching
