Discovering Matthew:

Discovering Matthew Ian Boxall, 2015 **Discovering Matthew** Stewart Stewart, 2017-02 An illustrative study of the book of Matthew that is suitable to be used as an aid to teach young people **Matthew 1-16** Stephen D. Eyre, Jacalyn Eyre, 2012-09-28 What would it be like to be discipled by Jesus himself What would he teach you about relationships priorities wealth and his coming kingdom What would you learn from his actions Matthew's Gospel brings you face to face with Jesus as he calls teaches and prepares his disciples As you work through these eleven session LifeGuide Bible Study on Matthew you can become one of those chosen followers *A Theology of Matthew's Gospel* Michael J. Wilkins, 2025-10-07 A Theology of Matthew's Gospel develops the perspective that Matthew wrote his Gospel to identify defend and proclaim Jesus Immanuel God with us as the Davidic Messiah who fulfilled the OT expectations of humanity's redemption Matthew's Gospel establishes Jesus's identity as the heir to the promises of Israel's throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham 1:1 So this first Gospel offers evangelistic hope in Jesus's message of the gospel to Jews contending that they should turn to Jesus as their long awaited Messiah Matt 11:2-6 But strikingly Matthew's Gospel also offers evangelistic hope to Gentiles emphasizing that salvation through Jesus Messiah is available to all the nations 28:19 The book emphasizes the three horizons that comprise Matthew's gospel history theology and literature The first horizon focuses on Jesus's history ministry Here Matthew provides for us a record of God's activities in history in the arrival of Jesus Messiah and the kingdom of heaven The second horizon develops Matthew's theological perspective for his audience's Here we attempt to understand and isolate Matthew's unique theological perspective of God's activities in Jesus Messiah This is a central focus emphasizing Matthew's theological perspective of the Old Testament Christology the kingdom of heaven discipleship the Church church Israel past present and future the death and resurrection of Jesus mission commission and eschatology eternity The third horizon emphasizes today's reader's engaging with Matthew's Gospel as literature Here we attempt to capture the significance of the perspective of today's reader's understanding of Jesus Messiah's activities in history and Matthew's theological perspective for the contemporary church In this book we view Matthew's perspective of God's activities in Jesus's unfolding earthly ministry The alternating sections of narrative and discourse provide for his readers Jesus's example to follow and Jesus's words to obey Therefore Matthew's Gospel is at least in a part a manual on discipleship to Jesus Messiah in the kingdom of heaven In the six Narratives Matthew reveals Jesus's true identity in his deeds and introduces themes that will lead to instructions to Jesus's disciples in the Discourses The six Narratives provide the example that Jesus's disciples are commanded to obey In the five Discourses Matthew records Jesus's instructions commands parables directives and prophecies that will guide his followers in their discipleship to Jesus until the end of the age Combined the narratives of Jesus's life provide Jesus's example to follow and the discourses give Jesus's instructions to obey and are the basis of our ongoing transformation to become like Jesus **Discovering Matthew Lg:** Jim

Wilcox,1996-04-01 *Exploring the New Testament* David Wenham,Steve Walton,2021-03-30 Written by scholars with extensive experience teaching in colleges and universities the Exploring the Bible series has for decades equipped students to study Scripture for themselves Filled with classroom friendly features this first volume now in its third edition provides an accessible introduction for anyone studying Jesus the Gospels and Acts *Fulfilled Israel according to Matthew's Plerosis Paradigm* Andrew D. Dalton,2024-03-13 Andrew D Dalton argues that for Matthew the fullness Israel enjoys through Christ is a share in the very fullness of God A close examination of Matthew's fulfilment paradigm reveals a triplex via consisting of fundamental continuity radical discontinuity and transcendence completion *Matthew Through the Centuries* Ian Boxall,2025-01-21 The reception of the Gospel of Matthew over two millennia commentary and interpretation Matthew Through the Centuries offers an overview of the reception history of one of the most prominent gospels in Christian worship Examining the reception of Matthew from the perspectives of a wide range of interpreters from Origen and Hilary of Poitiers to Mary Cornwallis and Bob Marley this insightful commentary explains the major trends in the reception of Matthew in various ecclesial historical and cultural contexts Focusing on characteristically Matthean features detailed chapter by chapter commentary highlights diverse receptions and interpretations of the gospel Broad exploration of areas such as liturgy literature drama film hymnody political discourse and visual art illustrates the enormous impact Matthew continues to have on Judeo Christian civilization Known as the Church's Gospel Matthew's text has been the subject of apologetic and theological controversy for hundreds of years It has been seen as justification for political and ecclesial status quo and as a path to radical discipleship Matthew has influenced divergent political spiritual and cultural figures such as Francis of Assisi John Ruskin Leo Tolstoy Dietrich Bonhoeffer and Mahatma Gandhi Matthew's interest in ecclesiology provides early structures of ecclesial life such as resolution of community disputes communal prayer and liturgical prescriptions for the Eucharist and baptism A significant addition to the acclaimed Blackwell Bible Commentaries series Matthew Through the Centuries is an indispensable resource for both students and experts in areas including religious and biblical studies literature history politics and those interested in the influence of the Bible on Western culture **The Restoration of Messianic Hope** Brian Main,2025-06-25 The New Testament portrays the apostles as placing great emphasis on Jesus resurrection in their preaching and teaching This emphasis is often lacking however in contemporary preaching and teaching If Jesus resurrection is to regain the centrality it held in the apostolic age its significance must be understood In this study Brian Main attempts to understand the significance of Jesus resurrection in the Gospel of Matthew Since Jesus resurrection is the proper conclusion of the story in Matthew it is necessary to understand what the story is that it concludes By analyzing the characters settings plot and point of view in Matthew 1 1 4 11 as well as those in the resurrection narrative 28 1 20 Main and his readers come to grasp the expectations that Matthew's audience develops as that story unfolds As readers understand those expectations they will gain a better appreciation of what was at stake when Jesus experienced opposition

and therefore of what was restored and guaranteed by his resurrection **Mutual Hierarchy** Jeffrey A. Dukeman,2019-02-22 Social Trinitarians have not been shy about positing community as the chief ontological category for Trinitarian discourse As beneficial as this is social Trinitarians have typically been less helpful in advocating the sort of human community for the Trinitarian analogy that most people would probably find desirable To use the example of a marriage one has often been forced to choose between a fully egalitarian view where the spouses supposedly have no differences from each other and a hierarchical view where a husband exercises a unilateral and oppressive power over his wife This book advocates a third alternative for the sort of community present in the Trinity Just as genuine teamwork is generally desirable in various human communities the divine persons have a mutual hierarchy relationship with each other Here each divine person has a unique hierarchy over the others and yet each uses this hierarchy to serve the others in a dignified way Recognizing this mutual hierarchy of the divine persons fosters a view of the Trinity that is maximally social in keeping with the name social Trinitarianism In proceeding thus the book attempts to in a unique way show the harmony between systematic theology exegesis and practice **Discovering Matthew** Guideposts, **California. Court of Appeal (1st Appellate District). Records and Briefs** California (State)., Discovering Matthew , Discovering Your Career Ann K. Jordan,Lynne T. Whaley,2002-04-23 This text presents a unique approach to career planning focusing on matching a career to one s personal interests *Discovering the Gospels* Margaret Nutting Ralph,1990 Why does Jesus call himself the Son of Man when the entire point of the Gospels is that He is the Son of God Why does Jesus tell people to be quiet about the fact that he has healed them Why does Mark say that Jesus family thought he was crazy This is just a sampling of the many questions asking the why of the gospels collected over the years by a teacher with nearly two decades of experience *Discovering the Gospels* Four Accounts of the Good News answers many of our questions about the gospels Author Margaret Nutting Ralph introduces us to the methodology and insights of biblical scholarship while involving us in thoughtful dialogue Because it is written clearly in easily understood terms this book is an invaluable aid for anyone asking mature questions about the gospels It is especially suited for schools and Bible study programs BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Discovering Matthew** Guideposts home Bible study program,1985
