Shakespeare was Irish! Brian Nugent, 2008 As more and more scholars come to realise that the accepted story of William Shakespeare is untenable this book tries to unmask the covert Irish influence on his work and the remarkable career of William Nugent the only Irish candidate ever put forward for Shakespeare It includes the full text of many original documents on Irish history from the Reformation to the 1641 Rebellion That in these lines I could as well express As in my soul I do admire her beauty Or that great Daniel fit for such a task This wonder of our Isle had seen and heeded Then should his glorious muse her worth unmask And he himself himself should have exceeded Then England France Spain Greece and Italy And all that th Ocean from our shores divideth Would over run their bounds and hither fly To find the treasure that our Ireland hideth But best is that we never do disclose it Since known but of ourselves we shall not lose it Richard Nugent Cynthia London 1604
