Discrimination American Style Institutional Racism And Sexism:

Discrimination American Style Joe R. Feagin, Clairece Booher Feagin, 1986 Why and how are some people women blacks and other minorities discriminated against The answers to these questions are important because an understanding of the causes and operation of discrimination is essential to finding effective ways to counteract and eradicate discrimination from our society While the popular view holds that prejudice and bigotry lie behind racist and sexist discrimination this book goes beyond that view to expose other roots of the problem that are more subtle and difficult to combat The authors describe in detail the mechanics and effects of institutionalized discrimination in employment housing health and social services education politics and the courts

Killing African Americans Noel A. Cazenave, 2018-05-16 *Killing African Americans* examines the pervasive disproportionate and persistent police and vigilante killings of African Americans in the United States as a racial control mechanism that sustains the racial control system of systemic racism Noel A Cazenave s well researched and conceptualized historical sociological study is one of the first books to focus exclusively on those killings and to treat them as political violence Few issues have received as much conventional and social media attention in the United States over the past few years or have for decades now sparked so many protests and so often strained race relations to a near breaking point Because of both its timely and its enduring relevance *Killing African Americans* can reach a large audience composed not only of students and scholars but also of Movement for Black Lives activists politicians public policy analysts concerned police officers and other criminal justice professionals and anyone else eager to better understand this American nightmare and its solutions from a progressive and informed African American perspective

Opening Doors Harry J. Knopke, Robert Jefferson Norrell, Ronald W. Rogers, 1991 On June 11 1963 The University of Alabama provided the backdrop for what would become a lasting symbol in U S civil right history With his stand in the schoolhouse door staged at Foster Auditorium on the University s campus Governor George C Wallace attempted to defy a federal mandate by blocking the admission of two black students to the University The nature of racial prejudice and discrimination its causes its history and its impact on society was the focus of a 1988 national symposium hosted by The University of Alabama to mark the 25th anniversary of the stand in the schoolhouse door On this occasion major participants in the Wallace stand reconvened to reflect on the issues and circumstances surrounding that event In addition because of the original event s central place in civil rights history and because of the many racial disturbances and difficulties occurring

today scholars from across the country were asked to contribute to an extensive examination of racial prejudice and discrimination This book is based on the presentations commissioned for the symposium and is divided into three sections Historical Context Current Psychosocial Cultural Assessments of Prejudice and Discrimination and Strategies for Change The contributors include Dan T Carter E Culpepper Clark John F Dovidio Samuel L Gaertner Rhoda E Johnson James Jones Leon F Litwack Fannie Allen Neal Mortimer Ostow Thomas F Pettigrew and Walter G Stephan The editors have provided introductions to each of the three sections that place the chapters in both historical and contemporary contexts Opening Doors describes the progress that has been made in this country in the relationships between and among the races since a sneering Governor Wallace withdrew from the University campus telling bystanders to come back and see us in Alabama The volume also sheds new light on our understanding of prejudice and discrimination and serves to broaden our current perspectives on the traditions values attitudes and behavior patterns that contribute to and reflect these negative components of race relations At the same time by recounting historical issues associated with prejudice racism and discrimination by offering current analyses of these concepts and by suggesting strategies for effecting appropriate and meaningful change Opening Doors leads to a clear understanding of the nature and extent of progress yet to be realized before we are able to engage in harmonious race relations and enjoy the benefits of a more just society *Diversity, Affirmative Action, and Law Enforcement* George T. Felkenes, Peter C. Unsinger, 1992 Focusing on issues that have implications for every law enforcement agency in the United States these seven papers examine the impact of a 1980 Federal district court consent decree concerning affirmative action on police recruitment selection training and employment in the Los Angeles Police Department LAPD and the City of Los Angeles In 1973 a female sergeant in the LAPD filed a complaint alleging that the city of Los Angeles engaged in employment discrimination based on sex Subsequently a complaint was filed by the U S Attorney in Federal court alleging also that the City and the LAPD had practiced employment discrimination on the basis of sex race and national origin The Blake Consent Decree included within its requirements the essence of affirmative action and diversity in law enforcement Individual papers in this volume focus on the characteristics of police academy training classes models of police demographics before and after the decree the evaluation of the positive and negative effects of the decree legal rights of minorities and women resulting from their political emergence in American society and police attitudes Tables figure name and subject indexes list of court cases and appended survey form

Enduring Tensions in Urban Politics Dennis R. Judd, Paul B. Kantor, 1992 **Sprawl City** Robert Bullard, Glenn S. Johnson, Angel O. Torres, 2000-08 A serious but often overlooked impact of the random unplanned growth commonly known as sprawl is its effect on economic and racial polarization Atlanta Georgia one of the fastest growing areas in the country offers a striking example of sprawl induced stratification Sprawl City uses a multidisciplinary approach to analyze and critique the emerging crisis resulting from urban sprawl in the ten county Atlanta metropolitan region Local experts
