**Project-Based Learning+** Jorge Valenzuela, 2025-07-15. Project based learning PLUS essential life skills equals student and educator success. Imagine not only helping kids reach their potential academically but as citizens in society as well. In this updated edition of Jorge Valenzuela's book, you will learn how to take project-based learning (PBL) in which students develop educational skills like research, critical thinking, and teamwork to the next level by enhancing it with personal competencies like self-management, social awareness, and responsible decision-making. Written by an expert in PBL, student well-being, and technology, with different levels of educator PBL experience in mind, this guide to harnessing the power of these approaches provides the five elements of the PBL Framework, Tools, and rubrics that help you engage all students and assess their projects. Ways to align PBL with five critical emotional intelligence and career readiness competencies. Tips for putting PBL into practice to facilitate your own teaching plans. The framework described in this book, grounded by research and supported by practical steps, is replicable in every classroom and provides educators guidance for strengthening their instructional practice to create an empowering student experience.
