Strategic Brand Licensing Maria Cristina Longo, Pete Canalichio, 2024-04-30. This book presents a roadmap for a brand licensing strategy to enable companies to leverage brand value and expand into other product categories or into different markets. Readers will understand both the risks and the benefits of partnerships, how to make the most of a brand's potential in the digital platform, and how to extend a product portfolio through established brands. Brand licensing can be of interest to many stakeholders, including large companies, entrepreneurs, retailers, agencies, and even celebrities. This is also a relevant strategy for small and medium-sized enterprises that want to expand their business abroad, reconciling their limited size with their flexibility. Examples of long-standing partnerships are presented and analyzed with detailed consideration of what has made them so successful. Through the presentation of case studies in the sectors particularly interested in brand licensing, including the art, character, entertainment, fashion, jewelry, sports, and toys sectors, this book aims to highlight opportunities, limits, and challenges from both the licensor and licensee's perspectives. In particular, these case studies represent an effective basis for comparing different experiences and brand licensing strategies, allowing readers to understand both best practices and pitfalls to avoid when building an effective and enduring licensing program. Chapter objectives, summaries, key learning points, and discussion questions reinforce understanding and aid reflection. Practical yet theoretically grounded, this book is

particularly suitable for postgraduate MBA and executive education students interested in strategic brand management licensing strategy and brand expansion This book can also serve as a valuable guide for professionals interested in expanding their brand portfolio This book provides effective tools to evaluate the strategic side of brand licensing and the selection of the appropriate company to be a licensee Online resources include PowerPoint slides a test bank of exam questions a case list and discussion questions Black Enterprise ,2000-07 BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals entrepreneurs and corporate executives Every month BLACK ENTERPRISE delivers timely useful information on careers small business and personal finance **Leslie's Illustrated Weekly Newspaper** ,1916
