Obsession Nicole Madigan, 2023-05-02 A gripping blend of memoir, investigation, and expert analysis, *Obsession* takes a deep dive into the disturbing phenomenon of stalking. Journalist Nicole Madigan was stalked for over three years. The relentless and debilitating experience wreaked havoc in her personal and professional life, leaving her trapped in a constant state of fear and anxiety. Nicole uses her own story as an entry point to examine the psychology behind stalking behaviours and their impact on victim survivors. Whether by a stranger, acquaintance, or former partner, stalking can have a catastrophic effect on a victim survivor's mental, social, and financial wellbeing. At its worst, it can lead to physical violence, even death. In this timely and compelling enquiry, Madigan explores the blurred lines between romantic interest and obsession, admiration and fixation. Through expert consultation and the personal stories of other victim survivors, she analyses society's attitude towards stalking and its role in popular culture, while highlighting the failings of the legal system in protecting victims.
