No Silver Bullets Daniel Im, 2017-09-01 What if I told you that you were only one step away from unlocking new levels of maturity and growth in your church The myth of the silver bullet still exists because we desperately want it to We all prefer quick fixes and bandage solutions to the long hard slow work that produces real change So the moment we learn about a new ministry or strategy and see its effect in another church we run to implement it in our own Unfortunately this impulse is usually met by opposition skepticism and ultimately rejection What if the solution isn t a new model or a complicated strategy but a shift in perspective What if you could keep your church s current vision values and model and simply make a few micro shifts leading to macro changes This book explores five micro shifts that have the potential to produce macro changes in your church As you read you will discover how to integrate these micro shifts into the life of your church starting with the way you disciple You will finish by developing a plan to structure communicate and evaluate these changes to ensure that they take root and pave the way for lasting change and kingdom impact *Gospel for Kids Leader's Guide* Jinah Yi, 2016-05-21 The Gospel for Kids Leader s Edition is the companion guide for the Gospel for Kids 8 week study In the Leader s Edition you will find Outlines for each week Supply lists for each week s activities Teacher insights and resources Guidelines for games activities Bible Study and discussion Reproducible homework assignments Join in as leaders in the Gospel for Kids program and help shape the faith and lives of the young ones in your church *The X-Manual* Peter J. Bellini, 2022-04-07 The title of the book The X Manual is taken from the word exousia from the subtitle It is the Greek word for authority The word is used throughout the New Testament For our purposes it is used to express the divine authority or

right to cast out demons I have given you authority exousia to trample on snakes and scorpions and to overcome all the power of the enemy nothing will harm you Luke 10 19 NIV Jesus gives believers authority to cast out demons This book is about spiritual authority over evil The X Manual is a practical how to handbook for clergy and laity on deliverance and exorcism One reason I wrote the book is because so few understand and or operate effectively in deliverance ministry Nowhere is the church more inadequate or excessive than in deliverance ministry The X Manual contains specific time tested biblical instructions on selecting and training a deliverance team pre deliverance work the deliverance session post deliverance work and other useful tools like the C1 13 instrument that helps determine if one needs deliverance Deliverance is essential to the church s New Testament healing and evangelism ministry It is time for the church to walk in the authority and power that Christ gave us to set the captives free
