Growing in Discipleship Rev. Daniel Dapaah, 2024-08-19 The primary responsibility of the church its raison d'être is to make disciples by sharing the good news of salvation and teaching believers to grow in maturity in Christ Matt 28:16-20 1 Cor 3:2-3 14:20 What does it mean to grow in discipleship and maturity in Christ What are the required ingredients for such growth and maturity to occur Answers to both questions are provided in the book you're about to read Growing in Discipleship is wide ranging in scope from biblical studies to systematic theology focusing on a sample of fundamental doctrines of the Christian faith The book is written for both new and old believers who are seeking a deeper engagement with and understanding of the good news of salvation in Christ Daniel Dapaah has broken down the complex theological concepts to present them in a concise and accessible format to readers who have no background in biblical studies Beginning seminarians will also find this book useful But true discipleship is more than an intellectual assent to the doctrines of the church It is also a personal commitment to the life and

teachings of Christ It involves growing spiritually to reflect the image of Christ Latin Imago Dei The book includes an Individual or Group Exercise guide at the end of each chapter focusing on sample questions from the study a Personal Application for reflection and a Commitment to grow and mature in Christ through the enabling power of the Holy Spirit This book is a useful resource for individual and group Bible study     4 Chair Discipling Dann Spader,2014-08-01 Dann Spader is a disciple maker who has spent his adult life exploring what it means to take someone from being a seeker to making disciples themselves Over 750 000 people in 80 countries have been trained to make disciples through organizations he has led Through studying the life of Christ and His disciple making methods Dann developed 4 Chair Discipling a simple picture for others to follow Jesus last words on earth had a few very specific instructions Go make disciples baptize and teach But what does that mean for us today Well it s not easy But it is simple Teacher and leader Dann Spader explains disciple making as a process of moving people through four chairs from someone seeking to know more about Christ to someone who makes disciples themselves Chair 1 Come and See John 1 39 Chair 2 Follow Me John 1 43 Chair 3 Become a Fisher of Men Matthew 4 19 Chair 4 Go and Bear Fruit John 15 16 In the process of His four year ministry Jesus realized that different people are at different stages of growth and development and He works to challenge each of them to the next level In 4 Chair Discipling you ll get a clear and simple picture of how to follow in Jesus footsteps and do the same thing     Disciples Are Made Not Born Walter A. Henrichsen,2011-09-01 Make Disciples Jesus command is clear But what is a disciple And how are we to make them Based on decades of experience this book explains and illustrates the process of disciple making that Jesus taught and modeled First published in 1974 its practical biblical approach has revolutionized the ministry of hundreds of thousands of Christians as they learned how to multiply themselves in the lives of others Disciple making is challenging to be sure But as we are faithful to Christ s Great Commission we ll experience the fulfillment that comes from being faithful to the life mission to which God has called us     Discipleship that Fits Bobby Harrington,Alex Absalom,2016-02-09 For far too long the church has tried to make disciples using a one size fits all approach Some churches advocate 1 on 1 discipling others try getting everyone into a small group while still others training through mission trips or service projects Yet others focus all their efforts on attracting people to a large group gathering to hear biblical teaching and preaching But does one size really fit everyone Based on careful biblical study and years of experience making disciples in the local church Bobby Harrington and Alex Absalom have identified five key relationships where discipleship happens in our lives In each relational context we need to understand how discipleship occurs and we need to set appropriate expectations for each context Discipleship That Fits shows you the five key ways discipleship occurs It looks at how Jesus made disciples and how disciples were formed in the early church Each of the contexts is necessary at different times and in different ways as a person grows toward maturity in Christ Public Relationships The church gathering corporately for worship Social Relationships Networks of smaller relationships where we engage in mission and live out our faith in community Personal Relationships Small groups of six to

sixteen people where we challenge and encourage one another on a regular basis Transparent Relationships Close relationships of three to four where we share intimate details of our lives for accountability The Divine Relationship Our relationship with Jesus Christ where we grow through the empowering presence of the Holy Spirit Filled with examples and stories Alex and Bobby show you how to develop discipleship practices in each relational context by sharing how Jesus did it how the early church practiced it and how churches are discipling people today **The Ways of the Alongsider** Bill Mowry, 2016 The Ways of the Alongsider is more than a Bible study It s a new pathway for making disciples in life2life ways
