

TEACHING SKILLS

DEFINITION

Teaching skills encompass a range of competencies that allow educators to plan, present, and assess content in ways that engage and inform students. They include understanding learners' needs, creating a positive learning environment, implementing effective instructional strategies, and utilizing feedback to adjust instruction and promote student success.

EXAMPLES

- **Lesson Planning:** The ability to design structured, educational, and goal-oriented lessons.
- **Classroom Management:** Effective strategies to maintain an environment conducive to learning.
- **Differentiated Instruction:** Tailoring teaching methods and resources to cater to the unique needs of each student.
