The Bug

The bug is an exciting fun dance which does not require dancing talent. All that is needed is a little imagination and a lack of inhibition.

The first participant holds an imaginary bug which he throws on anyone he chooses. The victim contorts his body in search of the fast-traveling insect.

As the bug is thrown from person to person, the postures created by these antics can be hilarious, provocative, eccentric, and entertaining to viewers as well as fun to the dancers.

Any music may be used and any basic dance movement may be employed. The idea is to generate action!
