Dawn of Discovery Douglas C. Myers, PhD, 2014-07-31 Dawn's colorful first light is a testament to new beginnings and perpetual renewal. It is a rousing panorama that beckons to all who treasure hope and its fulfillment. Each sunrise is a pleasant reminder of inspiration's influence on the human spirit when love makes its appearance. Everyone has the inherent right to feel loved unconditionally and be able to love fully. However, not all are able to sip from desire's cup filled with contentment. For many, the obscurity of night is extended without knowing of the dawn's resurrecting influence. Love relies on spirited recovery during the course of an endless journey. Each new dawn faithfully restores hope for the realization of purposeful possibilities during the day that follows. It is an awakening to the restoration of light. The certainty of dawn's repeated triumph over darkness exemplifies love's faithful and trustworthy nature. If sincere affection is a measure of feeling fulfilled, then what is love and how is it realized? Why is heartfelt love difficult to experience or maintain for many? What does it mean to fall in love? What is fear's influence when seeking love's affirmation? These are some of the challenges in comprehending the mystery of love and its reward presented in this writing. The written text identifies what is necessary to feel loved as a child and to love fully as an adult. Requirements for experiencing the fullest extent of love are chronicled in the section Requisites Of Love while also emphasized throughout the narrative presentation. Numerous quoted words and verse by popular persons of accomplishment enhance a seamless narrative progression. Original poems of the author throughout are dedicated to all who cherish the imaginative and sensitive emotion elicited through poetic expression. Each subchapter listing of love's requisites includes such a beginning. The concluding chapter titled Exploration and Reward ends with a novel revelation of adventure and passion. Included in Answering Love's Call is a final poem of desire's accomplishment by the author titled Awakening. Screen Reader Supported with Enhanced Typesetting Recommended. This book will challenge you to evaluate and confront your courage on several levels. It will also expose your relationship with fear even if you didn't think you had one. Myers writes about feelings which is desperately needed and rarely understood. Overall, the book gives hope. Hope for our personal journey as well as a parent and partner. It allows us to get unstuck in parenting. This is a writing that stays with you. It leaves a mark on your soul. How do I know this? I find myself reflecting on Myers' thoughts and gaining strength to face the future. Judy Wilde, M.A. Clinical Psychology. I recommend this reading to anyone frustrated by fear's influence while desiring heartfelt pleasure in loving. Lester L. Carney, M.A. Educator and Counseling Psychologist.
