Discussion Manual for Student Discipleship Dawson McAllister, Dan Webster, 1975 **Discussion Manual for Student Discipleship, Vol. 2** Dawson McAllister, 1978 Discussion Manual for Student Discipleship Dawson McAllister, John Miller, 1978-01-01 Discussion Manual for Student Discipleship, Volume 1 Dawson McAllister, 1978

Discussion Manual for Student Relationships Dawson McAllister, Dan Webster, 1975 Miriam was given one of the world's hardest babysitting jobs to hide her infant brother in the Nile River while danger lurked. Her quick thinking protected little Moses and helped him rise to greatness in Egypt. Then Miriam played a supporting role while Moses led God's people out of slavery to freedom. That all seemed to go pretty well until it made her jealous. Can you say sibling rivalry? Miriam's life reminds us that a True Girl practices courageous leadership right now because a leader is what she's becoming. And though even the best leaders are imperfect, God offers us a second chance to get things right. True Girl Bible Studies feature important women from the Bible so that from their examples we can learn what it looks like to be a True Girl. Each study is designed to help moms lead their daughters deeply into the Word of God so they can develop a steady love for Scripture. Together moms and daughters can discover what it means to be a True Girl after God's own heart. Book jacket

Wilke, Julia Kitchens Wilke Trust, 2016-07-19 No additional preparation is needed for the Leader; just follow the Guide. Use the guide in class only. What could be easier? Disciple Fast Track, an adaptation of the original bestselling Disciple Bible Study, provides a viable option for busy people seeking comprehensive engagement over time with the entire biblical text. Fast Track groups meet for a total of 24 weeks, devoting 12 weeks each to the Old Testament and the New Testament. Text-Driven Discipleship, Part 1: the Basics Anthony Svajda, 2020-03-14 Why Another Discipleship Book Let's face it There are a ton of discipleship books out there on the market Why in all of Christendom do we need another discipleship book Let me give you a few reasons why this discipleship book is important and how it is different from any other discipleship book you will get

- 1 Discipleship Is Important When a person reads the New Testament discipleship is written all over it Whether Jesus is leading his disciples Paul is making disciples or the church is being called to make disciples discipleship is there Discipleship in the New Testament is done in a small group or one on one with one believer leading another to know and follow God This book is designed to do that This is not another Bible study or life guide This is not a preaching series to work through This book is a guide for one believer to lead another in order to help them know and follow God through studying the text of the Bible
- 2 God's Word Is Important When you look at all the different materials labeled as discipleship you can be overrun with options Some formats are DVD driven some are book driven others are conversation driven But the real basis of teaching people to know and follow God is God's Word Therefore this resource is Text Driven Discipleship The guide is designed to help a disciple maker lead their disciple to discuss and understand God's Word and to help the disciple begin to study God's Word for themselves
- 3 God's People Are Important When Christians look at the church they should see a

group of people committed to making disciples Making disciples is the Commission of every Christian and the marching orders of the Church Matt 28 18 20 Thus this resource was written in order to help Christians do what they were called to do This guide is to help God's people teach the Bible to others **The Discipleship Series** Campus Crusade for Christ, 1980

Design for Discipleship, 1980-04-15 This guide will help you successfully lead your small group in the Design for Discipleship Bible study series Growing One Another Bobby Jamieson, 2012-04-30 Discipleship was one of the central themes of Jesus teaching yet it is not a major emphasis today for many churches This short study guide explores the Bible's teaching on discipleship and covers such topics as the need for discipleship the demands of discipleship and the enemy of discipleship With discussion questions at the end of each chapter groups will work through guided discussions together as they learn about the centrality of discipleship in the Christian life A series of ten 6-7 week studies covering the nine distinctives of a healthy church as originally laid out in Nine Marks of a Healthy Church by Mark Dever This series explores the biblical foundations of key aspects of the church helping Christians to live out those realities as members of a local body Conveniently packaged and accessibly written the format of this series is guided inductive discussion of Scripture passages and is ideal for use in Sunday school church wide studies or small group contexts **Discussion Questions for the Design for Discipleship Bible Study**, 1982
