Discussions Evangelical And Theological Volume One:

Discussions: Evangelical and Theological. Repr R. L. Dabney, 1967 **Christian Theology, Volume One** Thomas N. Finger, 2020-03-09 Thomas N Finger has chosen an approach to the systematic presentation of Christian Theology which I also have taken since the publication of my Theology of Hope in 1964 He begins with the goal with eschatology With that goal in mind a new light is cast on every single doctrine of Christian theology the light of redemption and the work of the theologian becomes a labor of hope This is a theology of the way With the kingdom of God kept steadily in view it becomes an invitation to walk the way of Jesus Tom Finger s theological prospectus makes a brilliant contribution to ecumenical theological dialogue from the Anabaptist tradition He offers an eschatologically oriented theology for which I can only congratulate him Jurgen Moltmann Professor of Theology University of Tübingen While many systematic theological texts are shaped by academic discussion of ancient thought and or modern philosophies Finger centers on the kerygma of the biblical text that the last things or eschatological events expected at history s climax had already occurred through Jesus life death and resurrection though they were not yet fully realized To present eschatology as a living hope that always has motivated and still motivates Christians and Christian communities in all things Finger does not follow the discipline s traditional order where eschatology appears last but places it first Volume II will culminate with the doctrine of God which usually comes first This is hardly to minimize God s importance but to maximize it as the Christian faith s most profound mystery Volume I begins with eschatology to present it as a dynamic boundless atmosphere in which theological reflection unfolds While this dynamism envelops Christian life and mission it is not merely subjective It is hope for the transformation of all creation It is not only celebrative for it also struggles against the gruesome evils that seek to dominate all things From this vantage point eschatology in Volume I seeks to articulate the significance of the resurrection the last judgment heaven and hell the return of Christ and the millenium s coming These reflections lead to revelation beginning from the final revelation of Jesus Christ 1 Peter 1 3 13 Revelation s dimensions are treated as personal as historical extending forwards from Genesis and as propositional or its way of conveying its contents These point theological reflection to revelation s center Jesus Christ chiefly to his saving work in his life death and resurrection Here the strengths and weaknesses of the traditional substitutionary and moral influence theories are examined But when placed within their revelational or historical sequence Jesus conflict with the powers of evil stands out These prove to be gigantic systemic forces which have always ordered but also imprisoned humankind such as the Roman Empire Yet their horror and power stretch beyond any social or psychological explanation In Jesus life and death these powers appear to conquer him But through his resurrection Jesus conquers them This drama is best articulated by the Christus Victor approach in which Jesus with his Father and Spirit defeats these powers but does not totally destroy them This is why their eschatological reign is already present but evil is not yet destroyed until the end

Exploring Christian Theology : Volume 1 ,2014-11-11 The Foundations of Theology in Everyday Language Dallas

Seminary professors Nathan Holsteen and Michael Svigel are passionate about the key doctrines of Christianity. They want readers to know why they're important and why they matter. This volume includes two parts: How Firm a Foundation: Revelation, Scripture, and Truth; God in Three Persons: Father, Son, and Holy Spirit. The authors explore these important topics in a concise and highly readable style that makes sense whether you're a student of the Bible, a pastor, or someone who simply wants to know God better. For each topic, you'll find an introduction, overview, and review of the key points. Several applicable Bible texts, including verses to memorize, a quick-paced history of the doctrine, distortions to be aware of and avoid, reading lists for further study, a glossary of theological terms. Exploring Christian Theology is a wonderful doctrinal primer that teaches theology in a way that will engage you and cause you to reflect. A great way to get acquainted with key biblical theological themes.

Discussions, Vol. 1

Robert L. Dabney, 2017-10-30

Excerpt from Discussions, Vol. 1: Theological and Evangelical

These papers are selected out of a mass of productions which would furnish perhaps more than one volume similar to those embraced in the present series. The aim has been to choose the best so far as the discrimination could be made, and those bearing on issues now living in the discussions of the day. Those papers which handle the great permanent subjects of the Christian system will never lose their interest. The method in which these are dealt with in these discussions may safely be left to the judgment of all competent to appreciate them. The editor would pointedly call attention to the invaluable assistance rendered to the issue of these volumes by the Rev. George Summey of Chester, S. C. But for him it is not unlikely the enterprise would have failed altogether. The subscription lists hung suspended for many months below the figures which would enable the publication. Mr. Summey secured enough additional subscribers to warrant going forward with the enterprise. In addition to this, he has not only given his practised skill to the correction of the proofs, but the Index of the papers published is solely due to his generous labor. To him many thanks are due from all the friends of the undertaking and from all who shall receive the benefit of these sound and vigorous discussions of valuable truth. To the skilled labor of Mr. Robert Whittet of the publishing firm and his painstaking efforts to secure accuracy and tasteful execution in the mechanical make-up of these volumes, many thanks are also due. All who have taken a share in the work of giving these volumes to the world are entitled to the satisfaction of feeling that they have aided in giving a wider and more enduring existence to defences and expositions of pure and invaluable truths, truths which take

hold upon the great abiding interests of mankind sound and strong expositions of Christian doctrine and safe principles of ecclesiastical polity and philosophical theories grounded in common sense and in accord with the great evangelical system. These traits will appear to every judicious reader no less clearly than will the extraordinary ability with which they are presented. The Christian Religion George Park Fisher, 1882 Across the Spectrum Gregory A. Boyd, Paul Rhodes Eddy, 2002-06-01

Evangelical thinkers in recent years have thrust differing and sometimes nontraditional views on the doctrine of God, the composition of the human person, and the nature of hell into the spotlight. *Across the Spectrum*, written by Bethel College theologians Gregory Boyd and Paul Eddy, offers a service to the church by carefully examining the various positions taken by evangelical scholars on eighteen seminal issues, both classic concerns and those of more contemporary interests. Rather than taking sides, however, the authors give readers the resources they need to make up their own minds. Among the many topics discussed are baptism, the nature of the self, the foreknowledge and providence of God, the interpretation of Genesis 1-2, the destiny of the unevangelized, and the nature of hell. In the spirit of the popular *Four Views* books, Boyd and Eddy carefully lay out the biblical, theological, and philosophical arguments for each position and then discuss possible objections. Each chapter also includes a bibliography. A helpful appendix touches on nine additional issues. *Across the Spectrum* will surely be an indispensable resource for students, professors, pastors, and anyone who wants to make sense of the issues facing today's church.
