Gross a presidential adviser during the New Deal era traces the history and logic of declining democracy in First World countries and pinpoints capitalist transnational growth and inappropriate responses to global crises as the sources of late twentieth century despotism in America Gross issues ever urgent warnings about what happens when big business and big government become bedfellows chronic inflation recurring recession overt and hidden unemployment the poisoning of the environment and simultaneously proffers a practical shift of perspective that could help US citizens build a truer democracy He imagines an America in which heroes are no longer needed and the leadership is a group of non elitists who recognize the ignorance of the wise as well as the wisdom of the ignorant Friendly Fascism Bertram Myron Gross,1980 Widely acclaimed and hotly debated this provocative and original look at current trends in the United States presents a grim forecast of a possible totalitarian future a book that offers a very clear exposition of where America is and how we got there William Shirer **Pacific Rural Press** ,1896 *Subject Guide to Books in Print* ,1997 Forbidden Bookshelf's Resistance in America Collection Nancy Howell Lee,Peter Dale Scott,Bertram Gross,2017-06-13 From creeping capitalism to abortion to government corruption these three books shed light on controversial topics that are too often left in the dark Curated by NYU professor Mark Crispin Miller the Forbidden Bookshelf series resurrects books from America s repressed history All touching on bold and debated topics these three books are more relevant today than ever Friendly Fascism Bertram Gross a presidential adviser in the New Deal era explores the insidious way that capitalist politics could subvert America s constitutional democracy First published over three decades ago this book predicted the threats and realities that occur when big business and big government become bedfellows while demonstrating how US citizens can build a truer democracy The Search for an Abortionist Nancy Howell Lee s eye opening account reveals the dangerous and illegal options for women seeking an abortion before Roe v Wade Based on interviews with 114 women this groundbreaking work takes an intimate look at the abortion process Dallas 63 Peter Dale Scott exposes the deep state an intricate network within the American government linking Wall Street influence corrupt bureaucracy and the military industrial complex Since World War II its power has grown unchecked and nowhere has it been more apparent than at Dealey Plaza on November 22 1963 Scott details the CIA and FBI s involvement in the JFK assassination and shows how events like Watergate the Iran Contra affair and 9 11 are all connected to this behind the scenes web of corruption **The Spy's Guide to Disguise** A.
