Disinherited: The Lost Birthright of the American Indian, 1966 *Disinherited: the Lost Birthright of the American Indian* Dale Van Every, 1980 *The Americas in the Age of Revolution, 1750-1850* Lester D. Langley, 1996-01-01 Langley examines the political and social tensions reverberating throughout British French and Spanish America pointing out the characteristics that distinguished each upheaval from the others the impact of place or location on the course of revolution the dynamics of race and color as well as class the relation between leaders and followers the strength of counterrevolutionary movements and especially the way that militarization of society during war affected the new governments in the postrevolutionary era Langley argues that an understanding of the legacy of the revolutionary age sheds tremendous light on the political condition of the Americas today virtually every modern political issue the relationship of the state to the individual the effectiveness of government the liberal promise for progress and the persistence of color as a critical dynamic in social policy was central to the earlier period *Old Hickory: Andrew Jackson and the American People* Albert Marrin, 2004-12-16 From a childhood steeped in poverty violence and patriotic pride Andrew Jackson rose to the heights of celebrity and power The first popularly elected president he won admiration by fighting corruption championing the common man shaping the power of the executive office and preserving the fragile union of the young United States Yet Jackson's ruthless pursuit of what he believed to be progress left indelible stains on the nation's conscience broken treaties and the Trail of Tears are among Old Hickory's darker legacies Vivid detail and unflinching analysis characterize Albert Marrin's fascinating rendering of the adventurous life painful complexity and continuing controversy that define the Age of Jackson *Women and the American Legal Order* Karen Maschke, 2013-09-13 Multidisciplinary focus Surveying many disciplines this anthology brings together an outstanding selection of scholarly articles that examine the profound impact of law on the lives of women in the United States The themes addressed include the historical political and social contexts of legal issues that have affected women's struggles to obtain equal treatment under the law The articles are drawn from journals in law political science history women's studies philosophy and education and represent some of the most interesting writing on the subject The law in theory and practice Many of the articles bring race social and economic factors into their analyses observing for example that black women poor women and single mothers are treated by the wielders of the power of the law differently than middle class white women Other topics covered include the evolution of women's legal status reproduction rights sexuality and family issues equal employment and educational opportunities domestic violence pornography and sexual exploitation hate speech and feminist legal thought A valuable research and classroom aid this series provides in depth coverage of specific legal issues and takes into account the major legal changes and policies that have had an impact on the lives of American women *Atlas of the North American Indian* Carl Waldman, Molly Braun, 2009 Presents an illustrated reference that covers the history culture and tribal distribution of North American Indians **Disinherited:**

the Lost Birthright of the American Indians Dale Van Every, *Terrorism in America* J. Lutz, 2007-10-29 Terrorism is often seen as a Middle Eastern problem and terrorists are often perceived as only having a Muslim background It may surprise many to learn that Americans are and have been terrorists since the birth of the nation This book investigates and discusses many instances in which Americans were themselves the terrorists and the victims

The Enduring Indians of Kansas Joseph B. Herring, 1990 Of the 10 000 Indians forced across the Mississippi into eastern Kansas before the middle of the 19th century a few have managed to walk the thin line between resistance to white culture and absorption into it Herring an archivist with the National Archive and Records Administration tells the story of those who are still Indians and still in Kansas

Final Solutions Sabby Sagal, 2013-10-09 What causes genocide Through an examination of four modern genocides the Native Americans the Armenians the Jews and the Rwandan Tutsis Sabby Sagal formulates a theoretical framework for understanding some of the darkest hours of humanity Drawing on the scholarship of a range of Marxist psychoanalysts from the Frankfurt School to Wilhelm Reich shows how genocides are enacted by social classes or communities that have experienced isolation and denial of human needs prostration and humiliation at the hands of major historical defeats or powerlessness These denials or degradations produce severe reactions hatred destructiveness and an impotent rage which is often projected onto a perceived other Through close analysis and theorising of the commonalities and differences between recent genocides Sagal hopes to produce greater understanding of the socio psychological rationale behind atrocities in order to prevent recurrences

Kenekuk, the Kickapoo Prophet Joseph B. Herring, 1988 Most of the Indians whose names we remember were warriors Tecumseh Black Hawk Sitting Bull Crazy Horse Geronimo men who led their people in a desperate defense of their lands and their way of life But as Alvin Josephy has written Some of the Indians greatest patriots died unsung by white men and because their peoples were also obliterated or almost so their names are forgotten Kenekuk was one of those unsung patriots Leader of the Vermillion Band Kickapoos and Potawatomis from the 1820s to 1852 Kenekuk is today little known even in the Midwest where his people settled His achievements as the political and religious leader of a small band of peaceful Indians have been largely overlooked Yet his leadership which transcended one of the most difficult periods in Native American history that of removal was no less astute and courageous than that of the most warlike chief and his teachings continued to guide his people long after his death In his policies as well as his influence he was unique among American Indians In this sensitive and revealing biography Joseph Herring and explores Kenekuk s rise to power and astute leadership as well as tracing the evolution of his policy of acculturation This strategy proved highly effective in protecting Kenekuk s people against the increasingly complex intrusive and hostile white world In helping his people adjust to white society and retain their lands without resorting to warfare or losing their identity as Indians the Kickapoo Prophet displayed exceptional leadership both secular and religious Unlike the Shawnee Prophet and his brother Tecumseh whose warlike actions proved disastrous for

their people Kenekuk always stressed peace and outward cooperation with whites Thus by the time of his death in 1852 Kenekuk had prepared his people for the challenge of maintaining a separate and unique Indian way of life within a dominant white culture While other bands disintegrated because they either resisted cultural innovations or assimilated under stress the Vermillion Kickapoos and Potawatomis prospered **American Indian Policy in the Jacksonian Era** Ronald N. Satz,1974 The Jacksonian period has long been recognized as a watershed era in American Indian policy Ronald N Satz s American Indian Policy in the Jacksonian Era uses the perspectives of both ethnohistory and public administration to analyze the formulation execution and results of government policies of the 1830s and 1840s In doing so he examines the differences between the rhetoric and the realities of those policies and furnishes a much needed corrective to many simplistic stereotypes about Jacksonian Indian policy Book jacket **Readings for Native People of North America** Richard Jefferies,1999-08 **Essays in Nineteenth-Century American Legal History** C. W. Holt,1976 **The Social Fabric: American life from 1607 to 1877** John Henry Cary,Julius Weinberg,1991 **American Indian Law Newsletter** ,1969 **Dream On, America** ,1971 **Past Imperfect: Alternative Essays in American History: From colonial times to the Civil War** Alice Kessler-Harris,1973 **The Social Fabric: American life from 1607 to the Civil War** Julius Weinberg,1981
