Blogging For Dummies Susannah Gardner,Shane Birley,2008-01-10 Everybody s doing it And while that logic never got far with your

mother it's a fine reason to start blogging especially if you have a business to build or a cause to promote. Well-run blogs do more than offer an outlet for your thoughts. They've actually influenced everything from a company's image to the outcome of a local election. Because the blogosphere is pretty crowded it's a good idea to find out a bit about the anatomy of a blog, what makes a good one and what it takes to keep one going before you dive right in and start sharing with the world. *Blogging For Dummies 2nd Edition* gives you all the basics so you can get a good start. And if you've been around the blog a few times and want to advance to the next level *Blogging For Dummies 2nd Edition* even takes a look at podcasting and videoblogging. You'll find out how to: Make your blog stand out in a crowd, build an audience and even make it pay. Choose the best software options, boost readership and handle comments. Generate revenue from your blog with ads and sponsorships. Protect your privacy and your job. Deal with spam and the inappropriate comments from that guy who posts several times a day. Find your niche. Attract and keep readers. Use your blog to promote your business, cause or organization. Add audio, video, cool widgets and more. Ready? Get *Blogging for Dummies* and let's get started.

Blogging For Beginners 149 worth of Bonus. Imagine a job where you could get paid to share your opinions about things that you're passionate about, a job that you can do from your own home on completely your own hours that takes almost nothing in the way of upfront financial investment. For many people that job is blogging. It's no wonder that close to 1% of American adults make at least a portion of their living by blogging. According to the Bureau of Labor Statistics about 2 million people profit from blogging each year in America. Of those about a quarter 452,000 people use blogging as their primary source of income. If you want to become a blogging success story this information is both uplifting and depressing. It is possible to make money blogging, lots of people are already doing it. But like with other creative professions like actors and musicians the famous celebrities earning millions of dollars are far outnumbered by the people who don't make enough to quit their day job. I won't lie and say it's easy making your living as a blogger but it is true that anyone can do it so long as you have a subject you're passionate about and enough dedication to stay the course. Each chapter in this book focuses on a different element of blogging from setting up your domain name to diversifying your income streams. At the end of each chapter you'll find some wisdom from a person who started at nothing and has found success through blogging. But while blogging is a possible profit opportunity for anyone let's first clear up some popular misconceptions about blogging. You will also get a 149 worth of bonus at the end of the book to help you starting out your blog.
