Remote and Roaming Mari Toivanen,2025-09-16 *Remote and Roaming* explores the practices meanings and politics of digital nomadism through extensive ethnographic fieldwork conducted across the globe Digital nomads represent a growing class of highly mobile professionals whose work is location independent and who combine continuous travel with remote work Based on rich empirical material the book examines digital nomads accounts of their mobile lifestyles and addresses key questions such as why do individuals choose this way of life What does their everyday routine entail And how do they navigate social relationships family and community life By situating digital nomadism within broader patterns of remote work this volume highlights the societal and global transformations currently unfolding in relation to employment mobility and digitalisation and their implications for both social and professional life As an early manifestation of growing international remote work mobilities digital nomadism reflects the evolving nature of work in late capitalist societies and the emergence of transnational lifestyle mobilities shaped by the COVID 19 pandemic

If You Could Live Anywhere Melody Warnick,2022-07-26 Even when your job can be done from anywhere the place you call home still matters a lot By the old rules of work your dream career determines where you live If you want to make movies move to Los Angeles If you want to work in publishing you must be in New York And if you re launching a start up you ll only succeed in Silicon Valley But with

the meteoric rise of remote and freelance work more people than ever are becoming location independent Even doctors teachers and other people in more traditional occupations have to make tough choices about where they settle because living in the right place can still make all the difference for your success and happiness So if work won't dictate where you live how will you ever decide If You Could Live Anywhere answers that question Melody Warnick unpacks the big picture concerns that we often miss when we're writing pros and cons lists about potential destinations Because the secret to being happy isn't moving it's aligning your location with your values You'll learn how to craft a personal location strategy that will make the most of your money your community and your life with success stories from people who flexed their location independence to find homes and work they love The future of work is clear it can happen wherever you are So where do you really want to be
