Organizational Communication and Technology in the Time of Coronavirus Larry D. Browning, Jan-Oddvar Sørnes, Peer Jacob Svenkerud, 2022-06-14 The pandemic has created a crisis that has no equivalent in recent history leading to a wide range of disruption across various social strata highlighting and reinforcing inequality and leading to profound organizational shifts In this book organizational communication scholars grapple with the implications of the pandemic for work and organizations examining the immediate impact on their personal lives in an ethnographic narrative but also theorising what the long term implications of COVID 19 will be The book also explores the devastating impact of the virus on healthcare workers on BIPOC entrepreneurs and on people in developing economies A timely innovative work this book will appeal to academics studying organizational communication organizational responses to crisis ethnographies and alternative research methods

Playing the Academic Game Bryn Williams-Jones, 2025-02-04 Playing the Academic Game is the culmination of two years of weekly posts on the BrynStorming blog by Bryn Williams Jones professor of bioethics in the School of Public Health at the Universit de Montr al As an ethicist long interested by questions of justice an important motivator for this project has been Williams Jones need to respond to the injustices encountered in academia Many students and researchers fail in their studies or career progression not because they don t have the intellectual abilities or drive but simply because they don t know what s expected of them or how to best present themselves in a competitive environment That is they don t know the rules of the game and this isn t fair because the rules are rarely made explicit In this book which is organized into 5 major sections The Academic Career Path Professional Identity University Life Productivity and Creativity and Multiple Responsibilities and Mental Health Williams Jones shares 30 years of experience in academia to make explicit the often implicit norms and rules of academic life so that all who wish to can fairly play the academic game
