Farmers' Guide, 1897 **High School Senior's Guide to Merit and Other No-Need Funding 2005-2007** Gail Ann Schlachter, R. David Weber, 2005-05 There are dozens of other funding directories describing college aid. But none of them are like this one. First, unlike other directories, the High School Senior's Guide focuses only on merit and no-need scholarships. Not one of the programs covered here requires financial need. Plus, only programs open to college-bound high school seniors are included. No more scanning through hundreds of listings that apply to currently enrolled college students, not to you. In addition, the entries here are grouped by discipline so you can go directly to the area you want to study. Not sure what your major will be? No problem. There's even a section listing programs that are open to support studies in any area. The High School Senior's Guide provides the only way to find money for college based solely on academic record, writing, or artistic ability, speech-making skills, athletic success, high school club membership.
