Follow these few tips to let go of the old economy mindset and transition to the new economy. Experts have been predicting a new economy for a few years now and astute observers and analysts can already see that it is here. While several catalysts drive the acceleration: exponential technologies, the global debt bubble, changing demographics, and the recent pandemic are a select few. The foundations for the new economy are built on the paradox, which makes it hard for old economy folks to transition out. Unfortunately, many will not make it. I encourage baby boomers to explore and engage with the gig creator economy by promoting a product or service tailored to their needs and interests. Baby boomers aged 57-75 who are interested in reinventing themselves and re-entering the workforce through the gig creator economy.
