How Do You Home Office Setup For Students:

How to Start a Home-Based Tutoring Business Beth Lewis,2010-01-06 Private tutoring represents a billion dollar industry in the United States serving millions of students a year For educators a home based tutoring business may represent a part time job to supplement their teaching income a flexible career choice after having their own children or retiring from the classroom or a uniquely fulfilling way to work one on one with children who need specialized help But other people with expertise in various fields including those with business skills can also capitalize on this trend In this comprehensive guide a longtime teacher and tutor shows them how to do so Get paid to help kids succeed Make parents your ally Build trust with students Set your own schedule Market your expertise Become the tutor everybody wants **The Qualitative Dissertation**

in Education Karri A. Holley,Michael S. Harris,2019-04-30 The Qualitative Dissertation in Education focuses on the experiences of students pursuing a doctorate in education and writing a qualitative dissertation The literature on qualitative research has grown substantially over the past 25 years but methods books often fail to consider the unique situations and resources available to students pursuing a professional doctorate This book examines the entirety of the dissertation experience walking readers through the process with examples and guidelines The structure of the book outlines each chapter of the dissertation as well as the necessary steps to start and complete the dissertation such as working with a faculty chair and committee developing a peer support group and organizing literature Not only does the book cover each stage of the dissertation process it also provides practical guidance on topics such as productivity with exercises and resources to help students overcome obstacles and make progress in their writing The Qualitative Dissertation in Education provides a foundation to understand both the basics of qualitative research and the expectations of the EdD dissertation
