*Ditch the Act: Reveal the Surprising Power of the Real You for Greater Success* Leonard Kim, Ryan Foland, 2019-10-25 Be human It s the only way to get ahead in business today Competition today is fiercer than ever It seems that every job candidate is flashing a world class resume and every business competitor is the absolute best at what they do Don t be fooled People exaggerate And don t be discouraged By revealing stories of failures setbacks and personal flaws without shame or fear you exhibit greater self confidence than your competition You cultivate connections with serious smart people and you build loyalty that lasts Ditch the Act shows how to present your humanness imperfect and flawed but honest resilient and willing to learn in strategic ways to achieve clear defined goals It provides an actionable program for building an authentic long lasting personal brand explaining why exposure is important and how it

cultivates more durable connections than any polished persona can. By creating a personal brand that's honest and authentic and that reveals personal struggles you'll build stronger longer lasting relationships and achieve greater success. Careers and businesses based on authenticity and truth aren't just more rewarding than those founded on hyperbole and the hard sell. Because they're founded on durable robust relationships they're rock solid and better withstand business uncertainty and tough times. Ditch the act, be real and jump ahead of the competition before they even know you are there. Facebook - The symbol of postmodernity? Tobias Henze, 2013-03-20 Seminar paper from the year 2011 in the subject Cultural Studies Miscellaneous grade 8.5 Maastricht University language English abstract It is the world's largest social network. Stross 2010 connecting over 600 million users from more than 200 countries on an Internet page that was founded just 7 years ago. Socialbakers 2011a The founder Mark Zuckerberg was named person of the year 2010 Grossman 2010 by Time magazine and is ranked number 40 on Forbes list of the world's most powerful people with a net worth of approximately 13.5 billion. Forbes 2011 Facebook the social network this paper is dealing with has become part of the daily routine of many users sometimes influencing their purchase decisions or even the way they perceive and see the world. Moreover it has become an Internet brand which can now be regarded to be on an equal level with Amazon eBay or Google. Without doubt Facebook has to be regarded as an important feature of growing inter connectivity which was made possible through the rise and spread of the Internet. The social network enables people to get in touch with each other find so called friends all over the world and to create a personal profile representing the user within the Facebook network. Facebook's self stated mission is to give people the power to share and make the world more open and connected. Facebook 2011 Of course this mission is not a revolutionary new idea in the World Wide Web as several social networks and micro blogging websites like MySpace LinkedIn or Twitter show. Still Facebook is the most widely known preferred and fastest growing social network of today's world. As a matter of fact it is also often claimed to be the most influential social network. Brennan Schafer 2010 p. 19 of our times. **Funworld**, 2010 **Cultures and Globalization** Helmut K. Anheier, Yudhishtir Raj Isar, Annie Paul, Stuart Cunningham, 2008-10-03 The world's cultures and their forms of creation presentation and preservation are deeply affected by globalization in ways that are inadequately documented and understood. The Cultures and Globalization series is designed to fill this void in our knowledge. In this series leading experts and emerging scholars track cultural trends connected to globalization throughout the world resulting in a powerful analytic tool kit that encompasses the transnational flows and scapes of contemporary cultures. Each volume presents data on cultural phenomena through colourful innovative information graphics to give a quantitative portrait of the cultural dimensions and contours of globalization. This second volume The Cultural Economy analyses the dynamic relationship in which culture is part of the process of economic change that in turn changes the conditions of culture. It brings together perspectives from different disciplines to examine such critical issues as the production of cultural goods and services and the patterns of economic globalization the relationship between the

commodification of the cultural economy and the aesthetic realm current and emerging organizational forms for the investment production distribution and consumption of cultural goods and services the complex relations between creators producers distributors and consumers of culture the policy implications of a globalizing cultural economy By demonstrating empirically how the cultural industries interact with globalization this volume will provide students of contemporary culture with a unique indispensable reference tool
