Pozen, Alexandra Samuel, 2021-04-27 You can thrive and excel when you're working remotely if you adopt the mindset, habits, and tech tools of professionals who are even more productive outside the office. Learn to think like a business of one, and that entrepreneurial mindset will transform your experience of remote work. Remote work can be satisfying and productive once you craft a strategy that taps into the unique advantages of working from home. Build great relationships with your colleagues, whether at the next desk or another city. Find a balance between work from home and life at home. Remote Inc. takes you inside the mindset and habits of people who flourish while working outside the office, some or all of the time. People who function like a business of one. That's how productivity experts Robert C. Pozen and Alexandra Samuel describe the mindset that lets people thrive when they're working remotely, whether full-time or in combination with time at the office. You can follow their lead by embracing the work habits and independence of a small business owner while also
