combines research into the unique experiences and qualities of this rising generation with the results of our own global survey We compare what the data say about Gen Z with what YOU say you are including an array of real life profiles of ordinary Gen Zers how they feel about work what they want most from their careers and the challenges they encounter along the way We spotlight famous Gen Zers who've already had impact on society built companies and made millions and reveal what drives them to succeed Then we guide you through best practices for creating your own resume and professional profile applying for internships and jobs conducting online and in person interviews discerning your valuable skillset and pursuing your own dream job The real life examples and pragmatic advice offered in MY JOB Gen Z will convince you that you are not alone in an often challenging and isolating world It will leave you inspired by your peers doing amazing things and motivated to pursue your own dream job

Book Review 1 A collection of intimate interviews with people regarding the personal familial cultural and geographic factors in their working lives Inspired by Studs Terkel's *Working* 1974 which profiled ordinary American workers editor Skees' *God Among the Shakers* 1998 takes the concept global Six of her 16 subjects live in the United States including a slack key guitarist in Honolulu an architect in Cincinnati and a recruiter/headhunter in Tampa Florida The rest are on other continents including a coffee farmer in Nicaragua a Masai warrior in Tanzania a married couple running an eco friendly factory in India a rickshaw puller in Bangladesh and a private equity manager in Hong Kong Skees organizes the material into five sections Entrepreneurship Industry and Transportation Farming Food and Animals Finance and Technology and Music an environmental activist in American coal country a banana farmer in Uganda a college admissions counselor in Rwanda and a fringe diplomat in Tel Aviv Few books dig so deeply into life as it's actually lived with such unsparing intimacy Prose Skees's own prose is sharp clear and purposeful but outside of introductions and some notes most of the book comes straight from the mouths of her subjects through first person monologue Skees breaks the chapters up into short labeled sections This is helpful for skimmers but the shortness of the individual sections gives the chapters a stop and start feeling impeding narrative momentum

Originality This isn't the first book to survey workers in their own words about work nor even the first one by Skees to do so but the author has selected a fresh fascinating cross section of people to reveal truths about the world and this current moment

Execution The book offers insights wisdom challenges to orthodox thinking and some arresting first person storytelling It's both eye opening and a pleasure to learn about the day to day work of a Zambian mobile money agent and to discover how that work is vital to a population outside of the banking system That said the narrators' individual voices sound somewhat similar to each other and the speakers too rarely offer up surprising or engaging anecdotes The emphasis here is strongly on the work itself and the sociopolitical context that created the opportunity for such work There's great value in capturing that but the book might prove more enticing for general audiences with a greater emphasis on voice and storytelling

Booklife Publisher's Weekly **Work Your Own Way** Joe A R, 2025-05-09 Are you a Gen Z freelancer remote worker or creator who's tired of toxic hustle culture telling you to grind

harder This is your permission to slow down work smarter and still thrive In Work Your Own Way you ll find an honest relatable and refreshing guide that helps you build a meaningful solo career without the pressure to run a never ending race Packed with real stories practical tips and warm wisdom this book feels more like a chat with a close friend than a lecture from a guru You ll learn how to Build a calm and sustainable work rhythm that fits you Say no to burnout and yes to your mental peace Connect with the right people without awkward networking Turn comparison into confidence Redefine success on your own terms Whether you re freelancing from your bedroom running a small online biz or juggling side gigs while figuring life out this book was made for you This is not a guide to doing more it s a guide to doing what matters Because slow doesn t mean stuck And calm doesn t mean lazy It means you re building something that lasts [#Entryleveltweet Book01](#)

Heather R. Huhman,2010 The statistics are frightening The National Association of Colleges and Employers NACE 2009 Student Survey shows that just 19.7 percent of 2009 graduates who applied for a job actually have one And according to NACE s Job Outlook 2010 Fall Preview employers expect to hire 7 percent fewer graduates from the college Class of 2010 than they hired from the Class of 2009 What s worse this issue cannot completely be blamed on a poor economy Entry level hiring should have increased because many employers have laid off more expensive experienced talent So what s preventing new talent from entering the career marketplace Millennials those individuals born between 1977 and 1997 and also known as Generation Y often expect college to teach them how to find jobs and are disappointed upon finding out this is not the case And the career advice they do receive comes from authority figures i.e. campus career center staff whom they do not believe or trust These graduates need practical and insightful guidance from someone who knows the challenges they face and how to overcome them ENTRYLEVELtweet Book01 by career expert Heather R Huhman is a must read for college students and recent grads who want to learn what it takes to find land and succeed in an entry level career In 140 tweet style tips Huhman provides a roadmap of what to do to impress hiring managers how to create stand out career tools and how to network during your job search with confidence in yourself and what you have to offer potential employers Want to get ahead of your college colleagues Get your copy of ENTRYLEVELtweet Book01 now and let it guide you from classroom to career in approximately fifteen minutes the perfect length of time for a busy student or job seeker ENTRYLEVELtweet Book01 is part of the THINKaha series whose 100 page books contain 140 well thought out quotes tweets ahas [100+ REAL Work from Home Jobs, Gigs, Careers, and Side Hustles that You Can Do RIGHT NOW](#) Rebecca Hurst,2020-06-08 Yes you really can make an actual income working from home Under the recent advice of social distancing and stay safe stay at home the advantage in today s workforce lies with those people who are able to do real work from home Because let s face it this will not be the only instance in our lifetime where we will encounter the need to lock down and shelter in place In my book I show you over 100 ways you can have a successful career working from the comfort of your own home My Work from Home book addresses all skill levels and touches on nearly every sector of gainful employment that can be performed remotely From

highly skilled medical professionals to someone just now entering the workforce with little to no prior experience there s a job for you If you re just looking to make some extra side income or work at your own pace this book is for you too Many positions can be tailored to your preferred schedule what your expertise is and what your level of comfort with technology might be I took the guesswork out of the equation for you Other books blogs and articles will direct you to the link to find the job and then you have to figure out if it is for you The goal of my book is to cut out some of that guesswork for you by supplying you with as much information as possible so that you can start your own process without having to wade through all the internet muck I have done the heavy lifting for you You will find at least one chapter that seems like it was written especially for you in your situation This book is set up in chapters divided by how you would go about finding a job you love The first part is about finding what work you might want to do establishing what you re good at and general advice about job hunting and working from home The bulk of the book is dedicated to practical guidance for finding that job in the real world You can peruse the types of jobs that can be done remotely and how you might go about performing the job you love Conversely I have provided you with a listing of over 60 companies who are actively hiring remote work from home workers Out of the 100 ways to work from home you re sure to find something you never thought of doing Finally I wrap up with addressing places to find freelance or gig work and suggesting some job opportunities you might take advantage of working from your house as a base of operations While these jobs might not be done completely at home you can still work out of your house without having to step foot in a cooperate office It s better in the eBook format I would highly recommend purchasing or gifting this book in the Kindle eBook format because it is filled to the brim with helpful links that are clickable when read in the eBook format If you have a Kindle Unlimited membership you can also get this title for FREE for a limited time so be sure to click Read for Free before this title is removed from Kindle Unlimited **#ENTRYLEVELtweet** Heather R.
