**Active and Transformative Learning in STEAM Disciplines** Miltiadis Demetrios Lytras, 2023-11-20. Active and Transformative Learning in STEAM Disciplines is a unique reference volume for the new student-centric and objectives-oriented learning environment where individual and team learning paths enhance problem-solving capabilities.

*Cyberpsychology in the Tech-Fed Virtual World* Dr. V. Sharmila, For a wide variety of reasons, colleges and universities have increased their online course offerings. These programs, including both formal degree programs as well as non-credit and leisure learning options, rely on students to engage with their faculty members as well as other learners to maximize their class experiences. Virtual learning, however, can be a difficult space to create community and resulted in the need to explore how community and culture can be constructed in the virtual tech-fed world. The model presented here consists of five key elements that program administrators, instructional designers, and teaching faculty must all take into consideration as they develop their courses.

**Ditch the Act: Reveal the Surprising Power of the Real You for Greater Success** Leonard Kim, Ryan Foland, 2019-10-25. Be human. It's the only way to get ahead in business today. Competition today is fiercer than ever. It seems that every job candidate is flashing a world-class resume and every business competitor is the absolute best at what they do. Don't be fooled. People exaggerate. And don't be discouraged. By revealing stories of failures, setbacks, and personal flaws without shame or fear, you exhibit greater self-confidence than your competition. You cultivate connections with serious, smart people, and you build loyalty that lasts. Ditch the Act shows how to present your humanness: imperfect and flawed, but honest, resilient, and willing to learn in strategic ways to achieve clear, defined goals. It provides an actionable program for building an authentic, long-lasting personal brand, explaining why exposure is important and how it cultivates more durable connections than any polished persona can. By creating a personal brand that's honest and authentic and that reveals personal struggles, you'll build stronger, longer-lasting relationships and achieve greater success. Careers and businesses based on authenticity and truth aren't just more rewarding than those founded on hyperbole and the hard sell. Because they're founded on durable, robust relationships, they're rock-solid and better withstand business uncertainty and tough times. Ditch the Act: Be real and jump ahead of the competition before they even know you are there.
