Rebel Leaders GSD (Get Stuff Done!) Nathan W. Tierney, 2025-12-24 What is a rebel leader A rebel leader doesn't ask permission They don't hide behind titles or throw around buzzwords They lead through chaos clear eyed sleeves rolled up no fluff They don't break rules just to stir the pot they challenge the ones that block progress They fix what's broken and build momentum where others stall out You'll find them in uniform classrooms cubicles and corner offices Veterans first gen grads sharp outsiders anyone bold enough to rethink what's always been done and gutsy enough to do something better Rebel Leaders GSD is not another leadership book filled with pie charts and passive advice It's a field manual for people navigating the real world people who are done pretending done waiting and ready to GSD Whether you're A veteran trading in your uniform for a badge a brand or a business A recent grad facing your first real job and wondering who wrote these broken rules Or an exhausted employee trying to lead without selling out This book gives you the tactical playbook to adapt speak plainly and cut through the noise You'll learn how to Lead when the rules make no damn sense Communicate like a human not a robot Act decisively even when no one hands you a plan This is the leadership book for people who hate leadership books It isn't theory It's trench tested And if you've ever felt like your grit clarity or instincts weren't welcome in the room this is your proof that they are And your call to lead anyway Welcome to the rebellion Arbitration's Age of

Enlightenment? Cavinder Bull, Loretta Malintoppi, Constantine Partasides, 2023-09-12 Directly presenting the considered views of a broad cross section of the international arbitration community this timely collection of essays addresses the criticism of the arbitral process that has been voiced in recent years interpreting the challenge as an invitation to enlightenment The volume records the entire proceedings of the twenty fifth Congress of the International Council for Commercial Arbitration ICCA held in Edinburgh in September 2022 Topics range from the impact of artificial intelligence to the role of international arbitration in restraining resort to unilateralism protectionism and nationalism The contributors tackle such contentious issues as the following time and cost gender and cultural diversity confidentiality vs transparency investor State dispute settlement procedures the proposed establishment of a permanent international investment court system how cross fertilisation across different disciplines may impact international arbitration determining whether a document request seeks documents that are relevant and material to the outcome of a dispute whether we would be better off if investment arbitration were to disappear and implications for international arbitration of the Russian invasion of Ukraine There is consideration of global issues that are likely to give rise to disputes in the future including climate change environmental protection access to depleting water resources energy and mining transition and human rights initiatives Several contributions focus on developments in specific countries China India and regions Africa the Middle East Arbitrators corporate counsel and policymakers will appreciate this opportunity to engage with current thinking on key issues in
