The AI Workshop Milo Foster,2025-10-21 Unlock the power of AI with the right prompts Most people struggle with AI because they

don't know how to talk to it. This hands-on beginner's guide gives you the tools, confidence, and structure to get real results from today's most powerful AI tools. No tech skills required. The AI Workshop: Your Complete Beginner's Guide to AI Prompts is your hands-on plain language guide to mastering prompt engineering, the skill that turns vague AI requests into powerful results. Whether you're a student, business owner, creative professional, or simply curious about AI, this book shows you how to stop guessing and start getting consistent, high-quality outputs by communicating with AI clearly and confidently. You won't find technical jargon or complex theory here. Instead, author Milo Foster uses everyday language, real-world examples, and the proprietary DRASTIC Framework to help you master the art of AI prompting with clarity and confidence. In this practical guide, written specifically for beginners, you'll discover: What prompt engineering really is and why it matters more than coding. How to use popular AI tools like ChatGPT, Claude, and Gemini to save time and work smarter. How to apply the DRASTIC Framework to plan, structure, and refine clear, effective prompts. Proven troubleshooting methods to fix poor or confusing AI responses quickly. How to build a personal prompt library you can reuse for work, study, and everyday tasks. How to write visual prompts for image generation tools and get consistent, high-quality results. Each chapter includes Try It Yourself activities to help you practice and build real skills, such as: Crafting your first professional prompt using the DRASTIC Framework. Refining vague or broken prompts step by step. Designing prompts that analyze data, summarize text, or write content automatically. Setting up your own organized prompt library for writing, planning, and problem-solving. To support your journey, your purchase also includes two powerful companion tools: The DRASTIC Prompt Library: A downloadable resource with 300 ready-to-use, proven prompts organized by topic and profession. Each one is built around the DRASTIC system so you can copy and customize to get up and running immediately. The AI Prompting Masterclass: A complete online class that walks you through the concepts in this book and some advanced topics. You'll learn How AI Works, see real walkthroughs of the DRASTIC Framework, explore advanced prompting methods, and learn how to build your own Superprompt from start to finish. All video-based, practical, and easy to follow.
