After Taking Notes

Summary Section

It is a good idea to use this section to summarize what you just learned in your own words It will help you to remember the information Share with someone what you learned It is helpful to tell someone like a friend or family member what you learned It is another way to remember and to check for understanding Use colored sticky tabs to organize your notes for easier reference later

Test Review

This is where your colored pens comes in handy Using your color key and your pens go over your notes line by line Put a circle square or something around the item in your notes that matches your color key Using the colors helps your brain to pay attention and remember what you learned This will be the third time you have reviewed your notes By the time you take a test you would have reviewed the material at least 5 times
