The Upanishadic Experience  
and Storytelling

Yohanan Grintshpon

OXFORD

The background of the cover is a dark, textured surface. In the center, there is a bright red, somewhat rectangular shape with rounded corners. This central shape is surrounded by several concentric, wavy golden lines that create a sense of depth and movement, resembling ripples in water or a stylized eye. The overall composition is centered and balanced.

## **Crisis And Knowledge The Upanishadic Experience And Storytelling:**

**Crisis and Knowledge** Yohanen Grinshpon, 2003 This book offers fresh readings of several central Upanishadic texts arguing that the lives and experiences of the heroes of these texts contain significant clues to our understanding of the more abstract messages of the Upanishads **Sūtras, Stories and Yoga Philosophy** Daniel Raveh, 2016-07-01 This book presents a close reading of four Indian narratives from different time periods epic Upanishadic pre modern and contemporary Ekalavya's story from the Mahabharata MBh 1.123.1-39 the story of Prajapati Indra and Virochana from the Chandogya Upanishad CU 8.7.1-8.12.5 the story of Anshu in the King's body from the Anshudigvijaya and A.R. Murugadoss's Hindi film Ghajini 2008 respectively These stories are thematically juxtaposed with Patajali's yoga namely Patajali's Yogasutra and its vast commentarial body The sutras reveal hidden philosophical layers The stories on the other hand contribute to the clarification of philosophical junctions in the Yogasutra Through sutras and stories the author explores the question of self identity with emphasis on the role of memory and the place of body in identity formation Each of the stories diagnoses the connection between self identity and at least a sense of freedom Employing cutting edge methodology crossing the boundaries of literary theory storytelling and philosophical reflection this book presents fresh interpretations of Indian thought It is useful to specialists in Asian philosophy and culture **The Nasiketa Story** Amos Nevo, 2010-01-01 This book is the first critical edition of a comprehensive Sanskrit version of the Nasiketa myth with a full translation into English The text is composed of several manuscripts belonging to the same branch of the story development and is compared to the printed Sanskrit versions and to some others still in manuscript form The introduction presents a short analysis of the religious philosophic ideas conveyed by the Nasiketa story throughout the generations based on the author's Ph.D. dissertation It divides the Nasiketa story corpus into three patterns and leaves extensive scope for further research literary religious philosophic etc

**History, Archaeology and Ideology** Krishna Mohan Shrivastava, 2025-10-27 In a country as vast and varied as India and that too with an extraordinary long and continuous history spanning over several millennia historical processes of its development just cannot be unilinear Since such diversified processes are being presented in this monograph in a broad material background it becomes imperative that the simultaneous presence of varied production processes in different parts of the subcontinent is recognised and underlined In fact modes of production and productive forces as factors behind historical transformations through the centuries have been stressed in most of the contributions here Be it the issue of social formations and their dynamism or of the analysis of the so called feminist writings comprehending the ground realities of the lowest orders of the social fabric or of providing fresh insights for delineating the developmental stages of Indian arts construction of the apparatus of knowledge systems in early India or of establishing the true identity of common Indian human being the central focus has always been on the ordinary toiling people of the country Even archaeologists have been exhorted to make them the real subjects of enquiry and data retrieval in their diggings and excavation reports Long tradition

of questioning going back to the gveda social bases of knowledge systems construction of heritage and its sustenance in the face of challenges of development ideological confrontations with neo colonialist strains and incessant concern about communalisation of writings on Indian history and archaeology are other themes that have been highlighted here Sixteen essays of this anthology cover almost the whole gamut of five millennia of Indian history
