The Crisis of Chinese Consciousness Yusheng Lin,1979 *The Crisis of Chinese Consciousness* Yusheng Lin,2000

The Crisis of Chinese Consciousness Lin Yu-Sheng,1979 **Remembering May Fourth** Carlos Yu-Kai Lin,Victor H. Mair,2020-03-02 Read an interview with Carlos Yu Kai Lin Remembering May Fourth The Movement and its Centennial Legacy is a collective work of thirteen scholars who reflect on the question of how to remember the May Fourth Movement one of the most iconic socio political events in the history of modern China The book discusses a wide range of issues concerning the relations between politics and memory between writing and ritualizing between fiction and reality and between theory and practice Remembering May Fourth thus calls into question the ways in which the movement is remembered while at the same time calling for the need to create new memories of the movement *Chinese Historiography of the Last Forty Years (1978-2018) II* ,2023-08-29 Chinese Historiography of the Last Forty Years 1978 2018 is an edited volume in which the Chinese historians review the research achievements of the study of history in China in the past 40 years since the reform and opening up in 1978 and create an overview of the academic prospects and trends In its entirety this volume encompasses Chinese archaeology ancient Chinese history and modern Chinese history as well as some thematic studies such as local history ethnic history frontier history historical geography economic history social history ideological and cultural history historiography historical theory urban history religious history world history and the history of World War II The authors of the volume are leading scholars in each branch of history studies It provides the readers with an accessible and valuable reference in studying history particularly the history of China and East Asia This book gives a comprehensive review on the study of history It covers a general description of the study of history as well as other philosophical and social sciences in China which have benefited from rapid progress in every cause under the system of socialism with Chinese characteristics and the development of the national economy It is an Innovation in the Study of World History In accordance with principles of historical materialism and seeking truth from facts researchers engaging in world history studies should take on the responsibilities of grasping the significant events that impacted world history and comprehending the comprehensive development of world history from the relations between these events and the world China s peaceful rise and its growing widening connections with the world require to focus on world history in historical studies to construct a more inclusive discipline of world history *The Horizon of Modernity* Ady Van den Stock,2016-06-10 The Horizon of Modernity provides an extensive account of New Confucian philosophy that cuts through the boundaries between history and thought This study explores Mou Zongsan s and Tang Junyi s critical confrontation with Marxism and Communism in relation to their engagement with Western thinkers such as Kant and Hegel The author analyzes central conceptual aporias in the works of Mou Tang as well as Xiong Shili in the context of the revival of Confucianism in contemporary China and the emergence of the discipline of philosophy in twentieth century Chinese intellectual history This

book casts new light on the nexus between the categories of subjectivity and social structure and the relation between philosophy modern temporality and the structural conditions of the modern world **Confucianism as Religion** Yong Chen,2012-11-08 On the Rhetoric of Defining Confucianism as a Religion tackles the perennially controversial question of whether Confucianism is a religion and proposes a holistic and contextual approach to the issue Chinese Thought in a Global Context Karl-Heinz Pohl,2022-06-08 How do Chinese and Western philosophical traditions interact today In the underlying collection of articles both Chinese and Western scholars carefully examine the issue one of fundamental importance for the mutual understanding of China and the West The volume is the result of a symposium which sought to initiate a dialogue between China and the West on questions ranging from philosophy to politics and aesthetics The papers deal with various topics of cross cultural hermeneutics such as differences between Chinese and Western concepts of man s relation to the universe human rights self and community good and evil and beauty In some of the contributions attempts are made to adapt the Chinese philosophical inheritance to the modern or post modern condition A useful reference for all those historians of ideas political scientists and China watchers alike who want to understand the dynamics of the cultural flow between East and West and the significance of Chinese thought in a global context **The Cold War in Asia** J. Bruce Amstutz,1996-12 **Realistic Revolution** Els van Dongen,2019-06-06 This is a novel transnational exploration of the major Chinese intellectual debates on radicalism in history culture and politics after 1989 **The Chinese Revolution in Historical Perspective** John E. Schrecker,1991-01-17 This introduction to the social political and intellectual history of China offers new perspectives as it analyzes two crucial and interrelated questions Schrecker proposes new approaches for conceptualizing and evaluating China s modern revolution and the long and often misunderstood Chinese past clarifying a topic made more complex because the West and Western ideas have played crucial roles in the revolutionary process The volume presents a concise history of China reinterprets the revolution and its relationship to the past and provides valuable insights into the problems of contemporary China It is of importance for the general reader and should be useful as a text in courses in Chinese comparative and world history "The Nation" and Marxism in Pre-May Fourth and May Fourth Discourses Tina Mai Chen,1994 **The Crisis of Culture in Modern Chinese Conservatism** Ya-pei Kuo,2002 East Asian History,2001 **A Comparative Study of the Social Visions of M. K. Gandhi and Mao Zedong** Diane M. Jones,1993 The Mother and the Politics of Representation in Modern Chinese Fiction Sally Taylor Lieberman,1993 The Paths that Lead Nowhere Kwai-Cheung Lo,1996 *The New Encyclopaedia Britannica: Macropaedia : Knowledge in depth* ,2003 Hua i Hsüeh Chih ,1997 Contains bibliographies and book reviews Confucianism in the Eyes of a Confucian Liberal Honghe Liu,2001 He attributes the political failures of the culture not to the Confucian tradition but to a legalistically influenced model of One Man Despotism and argues that democracy is the only way forward for China In analyzing Hsu s thought this book clearly summarizes the very complex historical trends in Chinese political philosophy and

practice spanning centuries
