Collins, 1982 Brings together reviews and critical essays on Cheever's work interviews with him and a useful introduction and short bibliography reflecting the unanimous agreement that Cheever was a great short story writer but not adequately reflecting the heterogeneity of critical opinion **John Cheever** Harold Bloom, 2009 Critics examine the Cheever's short stories *The Country Husband* *Goodbye My Brother* and *The Five Forty Eight* *Companion to Literature* Abby H. P. Werlock, 2009 Praise for the previous edition Booklist RBB Twenty Best Bets for Student Researchers RUSA ALA Outstanding Reference Source useful Recommended for public libraries and undergraduates *The Critical Response to John Cheever* Francis J. Bosha, 1993-11-19 Bosha collects major representative criticism of John Cheever's fiction and his posthumously published *Letters and Journals* from the earliest reviews of 1943 through to the present The volume provides a clear and comprehensive assessment of Cheever's critical reputation both during his lifetime as each of his books was published and reviewed and retrospectively by academics and literary historians who have sought to place Cheever's work in a larger literary context In addition to several new essays written specifically for this volume this book publishes for the first time a long interview which John Cheever gave less than a year before his death This interview according to Prof Robert G Collins who conducted it is almost certainly the last to be publicly heard The book begins with a critical introductory essay that traces the dominant themes and patterns in Cheever criticism and comments on the critical reception of his work over the last five decades A chronology highlights the chief events in Cheever's life and career The chapters that follow are arranged chronologically with each chapter devoted to one of Cheever's works Within each chapter are selections of criticism The book concludes with a bibliography and index *Masculinity and Place in American Literature since 1950* Vidya Ravi, 2019-05-15 American literature has long celebrated the figure of the self-made man and the idea of establishing selfhood particularly male selfhood in nature However during the crisis of masculinity that swept across America in the middle of the twentieth century a generation of writers started exploring a different kind of a man This was a figure who was concerned not so much with the loss of the West or the desire to recover a wilderness but with how to live in an ordinary domesticated continent *Masculinity and Place in American Literature since 1950* explores the role of place in negotiating reinforcing and subverting articulations of hegemonic masculinity in the work of four American writers from the latter part of the 20th century John Cheever John Updike Raymond Carver and Richard Ford The book argues that American fiction by white male writers between the 1950s and the present day is compelled by the troubled and troubling relationship between masculinity and place This relationship is deeply embedded in how ideals of masculinity are

predicated upon the experience of the physical world and how the symbolic logic of masculinity is continually subverted by alternative conceptions of dwelling and ecological consciousness

John Cheever Revisited Patrick Meanor, 1995 The St Botolphs of Cheever's early stories and the upscale Westchester like towns Shady Hill Proxmire Manor and Bullet Park of his later work find their complex companions in William Faulkner's Yoknapatawpha County and John Updike's Rabbit's world Cheever laid out the parameters of this creative world in his very first published story Expelled which appeared in the New Republic in 1930 when Cheever was only 18 The young protagonist of this autobiographical story would be the first of many Cheever heroes to fall from what Meanor describes as a condition of Edenic happiness and childlike innocence into the chaos and pain of adult knowledge

Moses Wapshot of Cheever's first novel *The Wapshot Chronicle* 1958 Neddy Merrill of the critically acclaimed short story *The Swimmer* 1964 and even Zeke Farragut of Cheever's novel of redemption *Falconer* 1977 struggle to reclaim some remnant of an earlier lost happiness Loneliness fear of aging family disintegration alcoholic obsessiveness sexual desperation the threat of financial ruin and a reliance on illusion form the dark core of Cheever's work creative transformations of some of the themes that dominated his life Throughout this volume Meanor distinguishes the autobiographical strains in the fiction by drawing from Cheever's documents of his struggles especially with alcoholism and bisexuality in *The Letters of John Cheever* 1988 and *The Journals of John Cheever* 1991 Meanor fleshes out both biblical and mythological motifs in the stories and the novels his study is perhaps the first to treat the possible symbolic interpretations of names of characters and places so thoroughly Burdened by a biblical sense of shame and guilt Cheever's characters find fleeting life giving moments of psychological release in the celebratory paganism of Greek and Roman myth Meanor writes in love passion the pleasures of the body

Radical Parody Daniel T. O'Hara, 1992 Gore Vidal known for such best sellers as *The City and the Pillars* *Lincoln* and *Myra Breckinridge* is a household name The controversial Vidal ran for Congress in 1960 and set sparks flying with his public debates challenging William F Buckley and Norman Mailer Although one of America's most admired and prolific writers Vidal has been steadfastly ignored or impugned by many critics This is partly owing to the vast scope of his writings which include more than twenty novels half a dozen plays dozens of screenplays countless essays and book reviews political commentary and short stories how do the critics approach such a writer There has also been backlash against Vidal whose radical polemics and undisguised contempt for those whom he has called the hacks and hicks of academe have hardly endeared him to the critical establishment Gore Vidal *Writer Against the Grain* is the first collection of critical essays to approach this

important American writer in an attempt to rectify the unwarranted underestimation of his work Jay Parini has drawn from the best of previously published criticism and commissioned fresh articles by leading contemporary critics to construct a comprehensive portrait of Vidal's multifaceted and memorable career Writers as diverse as Harold Bloom Stephen Spender Catharine R Stimpson Richard Poirier and Italo Calvino examine Vidal's work in their own highly individual ways and each finds a different Vidal to celebrate chide recollect or view close up Also included is a recent interview with Parini in which Vidal discusses his career and his troubled relationship with the reviewers The Vidal that finally emerges from these essays is a writer of undeniable weight and importance As readers will agree Gore Vidal *Writer Against the Grain* establishes his rightful role as one of the premier novelists and leading critical observers of this century

Critical Survey of Short Fiction: Italo Calvino - Louise Erdrich, 2001 *Critical Survey of Long Fiction: Truman Capote-Stanley Elkin*, 2000 *The Oxford Encyclopedia of American Literature: Academic novels-The essay in America*, 2004

SuburbiaNation R. Beuka, 2016-04-30 The expansion of the suburban environment is a fascinating cultural development In fact the United States is primarily a suburban nation with far more Americans living in the suburbs than in either urban or rural areas Why were suburbs created to begin with How do we define them Are they really the promised land of the American middle class The concept of space

and how we create it is a concept that is receiving a great deal of academic attention but no one has looked carefully at the suburban landscape through the lens of fiction and of film
